

Think big. We'll handle the technology.

Microsoft Viva by Predica Modern Workplace

Your organization using Office 365 services, but every launch of new communication, collaboration or productivity services leads to multiple questions?

Let us help you **get started**.

- ❓ How to improve communication?
- ❓ How to accelerate learning?
- ❓ Where to find the information?
- ❓ How to boost employee engagement?

Microsoft Viva is an employee experience platform that brings together communications, knowledge, learning, resources, and insights in the flow of work.
