

LEXOP

Lexop is turning delinquency into brand-building revenue growth.

Our digital collections software helps companies retain past-due customers by facilitating payment and empowering them to self-serve. **It's quick to implement, easy to use, and scales to fit your needs.**

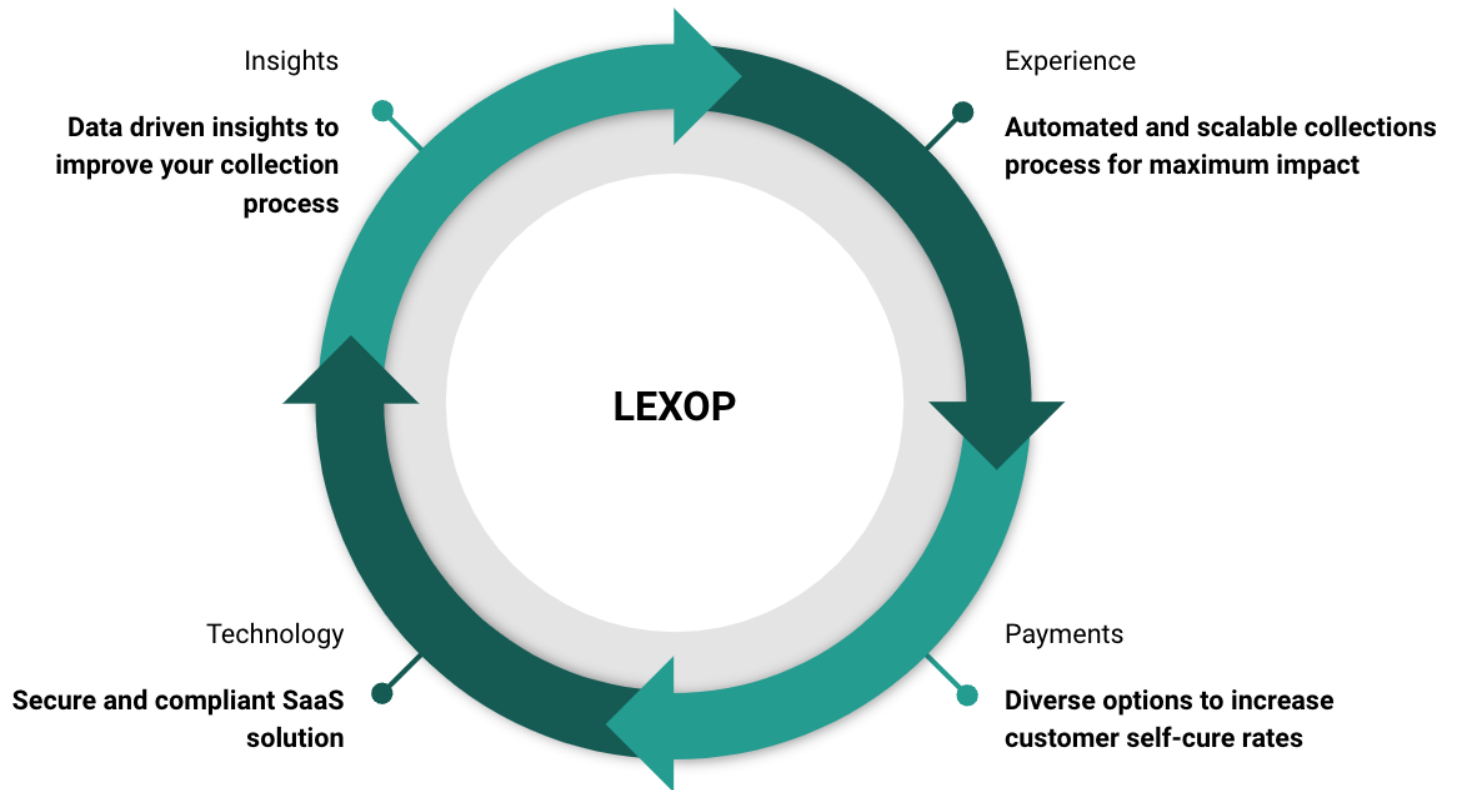

We help companies automate the recovery of past-due accounts in a faster, better, and cost-efficient way. With Lexop your collections team can...

- Reach and engage past-due customers with digital reminders.
- Increase debt recovery rates and improve cash flow.
- Automate and scale the entire collection process.
- Integrate with your existing payment gateways.
- Simplify the collection process for both agents and debtors.
- Maintain a positive relationship with debtors and improve retention.

The best past-due collection experience.

Lexop provides a complete digital solution that's easy to use and delivers better results than traditional collection processes.
