Albanian Language

for Dynamics 365 Business Central

intelligent
systems

Overview

Albanian Language for Business Central is developed by the Intelligent Systems team and helps Albanian users get used to the system fluently.

With this application you have access to English and Albanian languages with an easy switch between languages if needed. After installation of our Albanian Language app, you can use the interface, menu, and all functionalities of Microsoft Dynamics 365 Business Central in Albanian.

Albanian Language for Dynamics 365 Business Central

Why to choose our Albanian language pack:

- It translates all interfaces and menus of Microsoft Dynamics 365 Business Central into Albanian
- Full user experience in Albanian language
- Our Albanian Language App helps the users to adopt Dynamics 365 Business Central faster with the interface in their native language

Albanian Language for Dynamics 365 Business Central is available on Microsoft AppSource.
