

The background of the slide is an aerial view of a city skyline at sunset. The sky is a mix of blue and orange, with the sun low on the horizon. Overlaid on the city are several glowing blue arcs and dots, representing a digital network or data flow. The overall aesthetic is modern and technological.

Select Co Sell Ready Solutions

Now2Cloud (Co Sell)

Now2Cloud service enabled by our readiness Assessment Framework helps Enterprises evaluate and make the right choices & leverage cloud technologies optimally to maximize business benefits

IIOT Remote Monitoring Solution (IP Co Sell)

Specializes in Industrial IoT with unique IT-OT expertise to design, build and deploy Connected Enterprise, Smart Factory and Industrial

SmartMigrate (IP Co Sell)

SmartMigrate is an integrated tooling platform for project & technology management specifically designed to run factory-based Lift & Shift migrations efficiently at scale.

IntelliGeni AIOps Platform (IP Co Sell)

IntelliGeni is an AI & ML powered automation platform for managing complex IT systems. It focuses on improving the resilience of managed environments to detect incidents early and resolve incidents fast.

Azure Virtual Desktop(IP Co-Sell)

Microland SmartWorkspaces offers fully managed, secure, consistent, and high-performance cloud-based workspaces on AVD to end users on any device, anytime & anywhere
