

# Hikari Data Solutions

## ACCOUNTANCY BI

At Hikari we have worked with practice management providers and accountancy professionals to create an accountancy business intelligence solution which provides firms with instant access to their data allowing all stakeholders to view dashboards and reports that are meaningful to them.

### Performance Metrics

- Fees earned on a weekly, monthly, annual basis
- Budgeted Fees v's Actual
- Fee's earned by firm, dept, & employee.

### Dynamic Reporting

- Breakdown of work in progress
- Debtors days analysis
- Fees raised compared to work in progress allocation

### Time Based Analysis

- Chargeable and non-chargeable hours by dept
- Utilisation and work in progress
- Hourly rates by client & dept
