

Envision what your future in senior living looks like

Our experts are here to help you solve key challenges such as:

- ✓ Staffing, Retention & Burnout
- ✓ Resident Experiences
- ✓ Manual Reporting
- ✓ Expense Forecasting
- ✓ Margin Optimization
- ✓ Revenue Cycles
- ✓ Regulatory & Privacy Compliance (HIPAA)

Better care starts with healthy data

Senior living is evolving with increased resident expectations, an aging population, a global shortage in healthcare workers, and the pressure to keep data secure, compliant and up to date with the latest technologies.

In this new reality, how do you envision the future state of your organization? Build your transformation strategy with the Microsoft Catalyst framework delivered by SkyPoint Cloud—a proven and powerful approach to driving innovation.

Let's ideate together

As part of Catalyst, meet with our experts for an envisioning workshop, where we can ideate together using design-led thinking concepts and jointly define how to enable the digital transformation of your organization.

This one-day briefing starts with a review of your business objectives, followed by mutual discovery and visualization of solutions, ending with a clear, actionable picture of how we can help you reach your business goals.

How SkyPoint Cloud can help

SkyPoint helps you deliver on the promise of high-quality outcomes and resident empowerment through a unified view of your data across the continuum of care.

Microsoft Catalyst: A Strategic Framework, Delivered by SkyPoint

Build, plan, and execute business transformation strategies with a proven, innovative approach from Microsoft Catalyst—an envisioning and planning framework that employs Microsoft Dynamics 365, the Microsoft Power Platform, and the Microsoft Cloud. Your business transformation starts with an I.D.E.A.

How it works:

1. Inspire

Imagine a future state solution for your business

2. Design

Discover what's possible by aligning technology investments to business goals

3. Empower

Empower others in your organization to see the value

4. Achieve

Achieve business outcomes and improved customer experiences
