COOL PLATFORM: MONITORING

JUNE 2020

V. 20200502

Contents

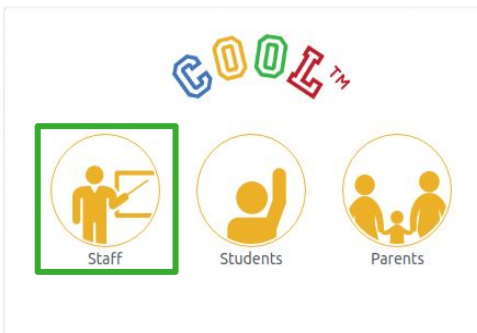

Navigate directly to:

- Teacher login
- Start monitoring
- 'Send application'
- 'Currently open websites'
- 'Lock screen'
- 'Send message'
- 'Grouping'
- 'Picture view'
- 'Log overview'
- Stop monitoring

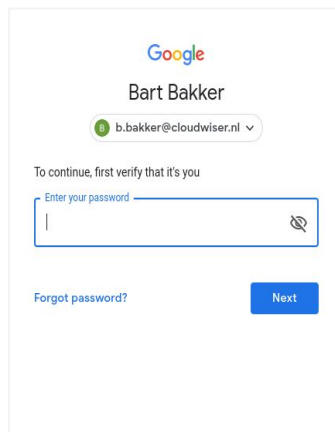

Teacher login

1. Choose 'Staff'
2. Fill in your username
3. Fill in your password
4. The COOL Platform will open

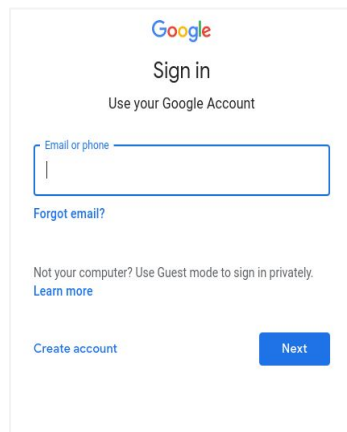

1

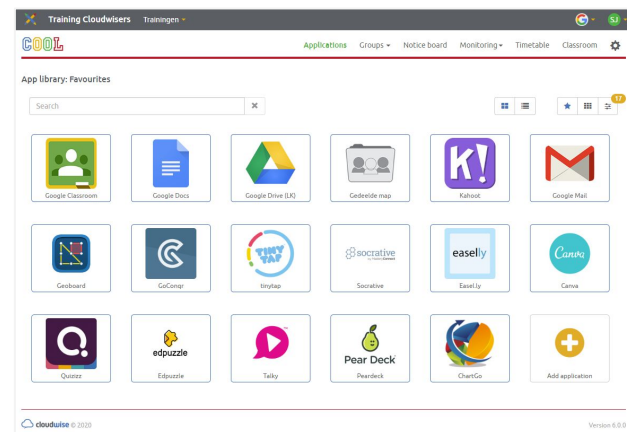

2

3

4

Start monitoring (1)

1. Open the tab 'Monitoring' and select the group
2. Click 'Start monitoring' to activate monitoring

The screenshot shows the COOL interface with the 'Monitoring' tab selected. The interface includes a top navigation bar with 'Applications', 'Groups', 'Notice board', 'Monitoring', 'Timetable', and 'Classroom'. A dropdown menu is open under 'Monitoring', listing groups from 1A to 8. The 'Start monitoring' button is highlighted with a green box and a '2' in a green circle. The main content area shows a grid of student avatars with names: Bronte Schouwer, Isa Molenaar, Jordy van der Taar, Laurence Bovenmeester, Jill Sill, and Lucas Valcks. The status 'Monitoring: 1A' and 'Students: 0/17' is displayed at the top of the main content area.

Student overview

If a student is online, you'll see a green circle next to the student's name

The screenshot shows the COOL monitoring interface for a classroom named '1A'. At the top, there is a navigation bar with 'Training Cloudwisers' and 'Trainingen' on the left, and icons for eye, Google, and BB on the right. Below this is a secondary navigation bar with 'Applications', 'Groups', 'Notice board', 'Monitoring', 'Timetable', 'Classroom', and a settings gear icon. The main content area is titled 'Monitoring: 1A' and includes a red 'Stop monitoring' button on the left. A progress bar shows 'Students: 1/17' with a small green segment. To the right of the progress bar is a toolbar with icons for window management, screen sharing, mute, lock, chat, and video. The student list is displayed in a grid of cards. The first card, for 'Bronte Schouwer', is highlighted with a green border and shows a green online indicator, a profile picture, and a list of open applications: 'Cloudwise - Training Cloudwisers', 'Cloudwise - Agenda - Week van 1...', and 'Mijn Drive - Google Drive'. Other student cards include 'Isa Molenaar', 'Jasmijn Brekken', 'Jill Sill', 'Jordy van der Taar', 'Laurence Bovenmeester', 'Linc Oliehoek', and 'Lucas Valcks', all with greyed-out names and no online indicators.

Open tabs: student

1. Click the arrow next to an open tab to get a drop down menu
2. Now you can 'Make tab active', 'Open tab in my browser' and 'Close tab' for an individual student
3. Click the arrow to return to the previous overview

The screenshot displays the COOL interface for a student named Bronte Schouwer. The top navigation bar includes 'Training Cloudwisers', 'Trainingen', and various utility icons. The main content area shows a 'Monitoring: 1A' section with a 'Stop monitoring' button. Below this, a list of open browser tabs is shown for the student. The first tab, 'Cloudwise - Training Cloudwisers', has a dropdown arrow highlighted with a green box and the number '1'. A green arrow points from this dropdown to a context menu that is open over the tab. This menu contains three options: 'Make tab active', 'Open tab in my browser', and 'Close tab', all highlighted with a green box and the number '2'. A green box with the number '3' highlights a back arrow icon in the top right corner of the context menu, indicating the step to return to the previous overview.

Monitoring options

There are two menus:

1. Actions for individual student
2. Student group actions

The screenshot shows the COOL monitoring interface for a training session. At the top, there is a navigation bar with "Training Cloudwisers" and "Trainingen" on the left, and icons for eye, Google, and BB on the right. Below this is a secondary navigation bar with "Applications", "Groups", "Notice board", "Monitoring", "Timetable", "Classroom", and a settings gear icon. The main content area is titled "Monitoring: 1A" and includes a "Stop monitoring" button on the left. A progress bar shows "Students: 1/17". A toolbar on the right contains icons for mute, share, refresh, lock, graduation cap, chat, and video, with a green circle '2' highlighting the entire toolbar. The main area displays a grid of student cards. The first card, for Bronte Schouwer, has a green circle '1' highlighting its toolbar, which includes icons for mute, refresh, lock, graduation cap, chat, and video. Below the student cards are three application cards: "Cloudwise - Training Cloudwisers", "Cloudwise - Agenda - Week van 1...", and "Mijn Drive - Google Drive". The bottom row shows cards for Jordy van der Taar, Laurence Bovenmeester, Linc Oliehoek, and Lucas Valcks.

'Send application'

1. Click the 'Send application' button to send an application to an individual student
2. Click the 'Send application' button to send an application to a student group

You have two options if you want to send an application

3. Copy and paste a link to a website
4. Choose an application from the platform

The screenshot shows the COOL interface with a dialog box titled "Send application or url to Bronte Schouwer". The dialog box has a search bar containing "url" and a "Push" button. Below the search bar is a grid of application icons. The background interface shows a user profile for "Bronte Schouwer" with a "Send application" button highlighted by a green circle with the number 1. The dialog box is also highlighted with a green circle with the number 2. The search bar is highlighted with a green circle with the number 3, and the first application icon (Google Classroom) is highlighted with a green circle with the number 4.

'Lock screen' (2)

If the teacher locks the student's browser, their screen looks like this. The student cannot use the Chrome Browser.

The teacher locked your browser.

'Send message'

'Send message' is a function where you send your student(s) a message in the COOL platform

1. Click the 'Send message' button to send an individual message
2. Click the 'Send message' button to send a group message

The screenshot displays the COOL platform interface. At the top, there is a navigation bar with 'Training Cloudwisers' and 'Trainingen'. Below this, the COOL logo is visible. The main content area shows a 'Monitoring: 1A' section with a 'Stop monitoring' button. A list of students is shown, with 'Bronte Schouwer' highlighted. A green circle with the number '1' is placed over the message icon next to her name. A modal dialog box titled 'Send message to Bronte Schouwer' is open in the center. It contains a text input field labeled 'Message' and a character count '(0/160)'. At the bottom of the dialog are 'Send' and 'Cancel' buttons. A green circle with the number '2' is placed over the message icon in the background interface, indicating the second step of the process.

'Grouping'

With 'Grouping' you can send an application to a specific color group

1. Click on the avatar or picture to activate grouping. The default color is green
2. Switch colors to make more groups and repeat step one to add students to that color group

The screenshot shows the COOL classroom monitoring interface. At the top, there is a navigation bar with 'Training Cloudwisers' and 'Trainingen'. Below this is the COOL logo and a menu with 'Applications', 'Groups', 'Notice board', 'Monitoring', 'Timetable', and 'Classroom'. The main area is titled 'Monitoring: 1A' and shows a progress bar for 'Students: 3/17'. A toolbar on the right contains icons for monitoring, including a color selection dropdown (highlighted with a green box and a '2' in a green circle), a camera, a lock, a graduation cap, a chat bubble, and a video camera. Below the toolbar, there are student cards for Bronte Schouwer, Isa Molenaar, and Jasmijn Brekken. Each card has a green circle with a '1' next to the name, indicating that grouping is active. The card for Jasmijn Brekken is highlighted with an orange border, and its color selection dropdown is highlighted with a green box and a '1' in a green circle. The card for Jill sill is also visible. At the bottom, there are more student cards for Jordy van der Taar, Laurence Bovenmeester, Linc Oliehoek, and Lucas Valcks.

'Picture view': individual student

With 'Picture view' you can see what the student's screen. The picture refreshes every 10 seconds. This function is only possible while monitoring, if the student is online while connected at the school network with a Chrome Browser.

Press the camera button to activate or deactivate for individual student monitoring.

The screenshot displays the COOL monitoring interface. A window titled "Monitoring - Bronte Schouwer" is open, showing a grid of application icons from the student's perspective. The icons include:

- Google Classroom
- AaBcCee
- Google Drive
- NU
- JESD J bieb Jeugd(bieb)
- K!
- Kahoot! Kahoot! Create
- Alle Tijden
- Google Agenda
- Alles bij 1:2
- Gynzy Kids
- 3x3=9 Rekenen 1
- CITO
- Bas Gaat! Digitaal
- Baspaart (Koppeling)
- Kurzwel - Finely
- inKlas (Bas) Kijk(1)
- Schatkist Schatkist Woordenschat

A "Cancel" button is visible at the bottom right of the monitoring window. In the background, the main interface shows "Monitoring: 1A", a "Stop monitoring" button, and a list of active students including Bronte S, Cloudwise - Trai, Cloudwise - Age, Mijn Drive - Goo, and Jordy va.

'Picture view': group

Click the camera button to activate group student monitoring

1. Click 'List view' to deactivate group student monitoring

The screenshot displays the COOL monitoring interface. At the top, there is a dark navigation bar with the text "Training Cloudwisers" and "Trainingen" on the left, and icons for eye, Google, and "BB" on the right. Below this is a white navigation bar with the COOL logo on the left and menu items: "Applications", "Groups", "Notice board", "Monitoring", "Timetable", "Classroom", and a gear icon. The main content area is titled "Monitoring: 1A" and shows a red "Stop monitoring" button on the left. In the center, it displays "Students: 1/17" with a progress bar. On the right, there is a toolbar with icons for a dropdown menu, camera, mute, lock, graduation cap, chat, and a "List view" icon (a green square with a white list icon). Below the toolbar, a grid of student cards is visible. The first card, for Bronte Schouwer, shows a camera icon and a screenshot of the COOL interface. Other cards for Isa Molenaar, Jasmijn Brekken, and Jill Sill are shown with their names and profile pictures. A green circle with the number "1" is in the top right corner of the interface.

'Log overview'

Use the 'Log overview' to see which website the student has visited in the past 12 hours.

1. Click 'Log overview' to open the log overview
2. Click 'See more' to open a seven-day overview

The screenshot shows the 'Training Cloudwisers' interface. At the top, there is a navigation bar with 'Training Cloudwisers' and 'Trainingen'. The main content area is titled 'Monitoring: 1A' and features a 'Stop monitoring' button. Below this, there are two student profiles: Bronte Schouwer and Isa Molenaar. A green box highlights the 'Log overview' button under Bronte Schouwer's profile, with a green arrow pointing to the 'Activity for Bronte Schouwer last 12 hours' window. This window displays a table of activity logs. At the bottom of the window, there is a 'See more' button (highlighted with a green box and a '2') and a 'Close' button. The background shows a grid of application icons for various educational tools.

Stop monitoring

Click 'Stop monitoring' to stop the monitoring session

The screenshot displays the COOL monitoring interface. At the top, there is a navigation bar with the following items: Training Cloudwisers, Trainingen, eye icon, Google icon, BB icon, Applications, Groups, Notice board, Monitoring, Timetable, Classroom, and a settings gear icon. Below this, the page title is 'Monitoring: 1A' with a help icon. A red-bordered button labeled 'Stop monitoring' is visible on the left. A progress bar indicates 'Students: 1/17'. A toolbar on the right contains icons for a dropdown menu, screen share, mute, lock, graduation cap, chat, and video. The main area is a grid of student cards, each with a profile picture, name, and a refresh icon. The first card for 'Bronte Schouwer' includes a list of links: 'Cloudwise - Training Cloudwisers', 'Cloudwise - Agenda - Week van 1...', and 'Mijn Drive - Google Drive'. The other cards are for 'Isa Molenaar', 'Jasmijn Brekken', 'Jill sill', 'Jordy van der Taar', 'Laurence Bovenmeester', 'Linc Oliehoek', and 'Lucas Valcks'.
