THE SPEED AND CERTAINTY TO WORK SMARTER
BUSINESSES DON'T MOVE FORWARD ON MAYBE

We'll give you the certainty, speed, and security your organization needs to stay up, running, and results-driven. Together with Rubrik and Microsoft, we'll help you create the resilience that moves business forward.

	SIMPLICITY	Rubrik makes on-ramping to Azure easy – by providing a single solution to protect and manage data across environments. Rubrik customers automate archival to Azure for cost-effective long-term retention, and quickly set up applications in Azure for testing and development.
	SECURITY	Recover in minutes, not days, with Rubrik's Live Mount solution for SQL. Instantly locate files with predictive global search that spans on-premises and cloud – from files, folders, filesets, and virtual machines (VMs), to database instances.
	CLOUD MOBILITY	Engage with the same easy-to-use Rubrik interface to manage applications on-premises, at the edge, and in the cloud. Users automate backup, recovery, and archival schedules via one SLA policy engine with just a few clicks, reducing daily management times from hours to minutes.

BETTER TOGETHER
Rubrik and Microsoft create an effective hybrid data protection strategy

FREE CLOUDON AND AZURE CREDITS

With the Rubrik and Microsoft Alliance, new clients are eligible to receive up to 6-Months or 12TB of FREE Azure Storage and 12-Months of FREE Rubrik CloudOn licensing.

LIMITLESS CAPACITY
Keep just the right amount of data on-premises and archive the rest to the Cloud for the right balance between fast recovery and data retention.

NEAR-ZERO RECOVERY TIME
Imagine a software-defined platform that unifies backup, instant recovery, replication, search, analytics, archival, compliance, and copy data manage-ment all in one secure fabric across the data center and cloud.

EXPERT MANAGEMENT
Our experienced team manages the day-to-day operations of your mission-critical IT infrastructure, so you can rest easy— and focus on your business.
