Why Akari?

With extensive solution development experience, Akari can help you improve workforce productivity through automation of key business processes, leveraging the Microsoft Teams platform. We will work with you to understand your environment and identify opportunities to help you achieve continuous business value from your Microsoft Teams investment. With industry and technology experience, you can count on us as your trusted partner in your transformation journey.

We'll work with you to:

- ✓ Connect employees and teams to your organization's top goals, help them understand their impact, and ensure cross-functional alignment.
- ✓ Focus discussions, provide context and simplify reporting on progress with custom dashboards and dynamically updated OKRs.
- Encourage conversation and collaboration around goals and help everyone thrive in the workplace.
- ✓ Help you reduce your time to value with your O365 Investment
