

Velosio® Microsoft 365 Teams Fixed Fee Services

Velosio is a Microsoft Gold Certified Partner with 33 years of experience managing enterprise IT workloads. Our certified experts have helped hundreds of companies build, manage, and optimize the Microsoft 365 Teams tenant. Velosio utilizes a multiphase approach to helping clients migrate their workloads into the cloud where we appropriately assess and plan the migration alongside the business with minimal disruption.

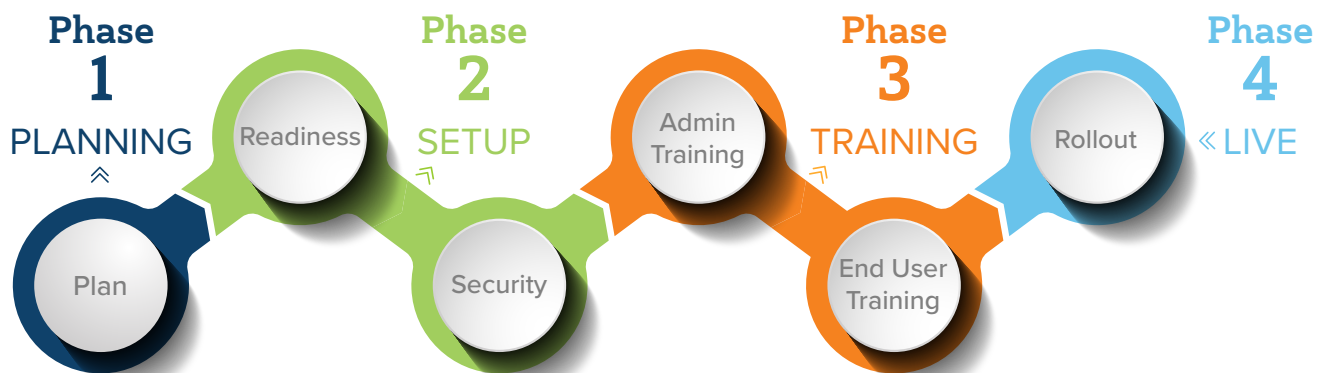

Microsoft 365 Teams

Microsoft Teams is mission-critical to this vision for a more flexible world of work. Teams is unique

in that it brings together meetings, chats, calls, collaboration, and business process automation in a single app. Enable people to connect seamlessly with those inside and outside of their organizations and provide ways to make remote presentations richer and more impactful. These offers will lay the foundation for future growth in the tenant and provide high-level management and administrative training leveraging the Microsoft 365 Adoption framework best practices. Organizations will begin to leverage Microsoft Teams while establishing best practices and collaboration governance.
