

Private Cloud Solutions by
Orange Business

Azure Stack HCI
with **Microsoft**

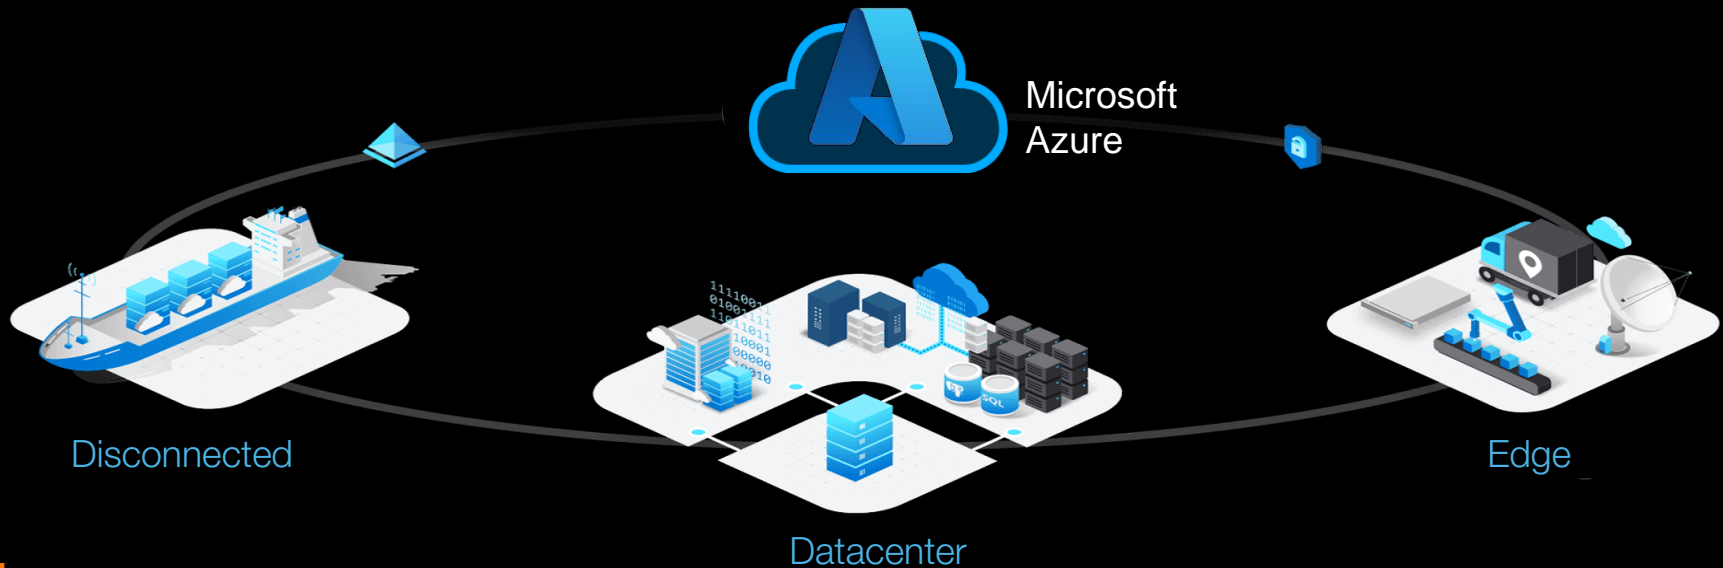

Business

Extending Azure services

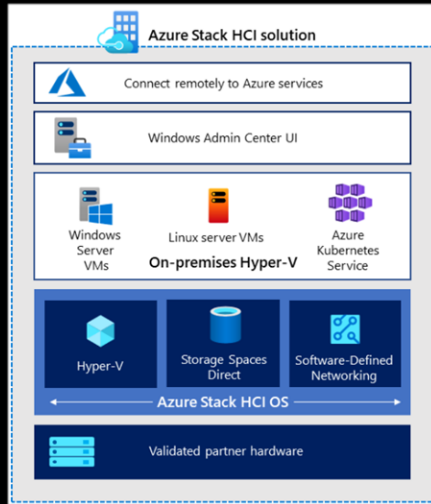

and capabilities outside Microsoft datacenters

- Azure Stack : a hybrid cloud solutions family
- Extending Azure to customer's environment of choice
- Hold sensitive data with customer own data centers while giving the ability to reach Azure public

Azure Stack HCI principles

In a nutshell

Microsoft
Azure

Azure Stack HCI

Reminder

- Scalable virtualization and storage
- Remote branch office
- High-performance workloads
- Integration with Azure Arc

Azure Stack HCI benefits

The pros of the solutions with Orange Business

Native integration with Azure ecosystem

On Prem stack monitored by Orange Business experts + SPOC

One single tool to run them all (Azure ARC)

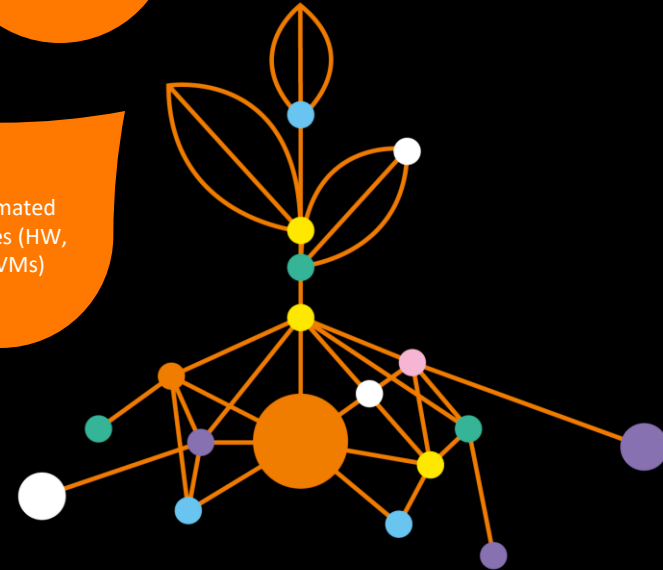

Practical backup & DRP solution to Azure

Low Capex to set up a Hybrid HCI infrastructure

Free extended support on Win. Server
BYOL without extra cost

Azure hybrid cloud with Compute and Storage out of Azure datacenter

Automated updates (HW, OS, VMs)

Azure Stack HCI

and Orange Business value added proposition
