

# UPGRADE YOUR BUSINESS

Dealing with outdated systems, no support or losing your competitive advantage?

Don't let technology incompatibilities, lack of mobility or usability hold you back. As Dynamics 365 experts, Covenant Technology's Business Applications practice keeps your sales processes up-to-date to remain competitive in today's fast-paced digital marketplace. Upgrade from any on-prem CRM solution to Dynamics 365 Customer Engagement, saving time and dollars for your business.

## SOLUTIONS FROM COVENANT TECHNOLOGY PARTNERS

Our Business Applications consultants will spend two weeks with your team and provide a scope, schedule, and budget for your Dynamics 365 upgrade.
