终于轮到我们接种第一剂疫苗❤️❤️  
每一个环节都被安排得非常系统化，  
还有不同环节的负责人引导整个流水线...

Step 2:  
You may send a Whizzl with take/attach "Photo(s)" and insert "Text Description" of the issue.

Step 3:  
Then, you may select the suitable post type. There are 2 options: "Feedback" and "Post/Suggestion". You may tag the associated "Place/Community" and it automatically geolocates, such as an ABC Residence. Select the "Category" to further categorized the issue.

Step 4:  
Click on "Submit". Now, the Whizzl is successfully created. The post will be available on the Feed. And, the Property Manager linked to the geolocation will receive a notification about the Whizzl.
