The screenshot displays the Azure Migrate Central Hub interface. At the top, it says 'Home > Azure Migrate | Get started' with a Microsoft logo. Below this is a search bar and navigation links for 'Get started' and 'Explore more'. The main content area is titled 'Migrate and modernize your datacenters' and includes a sub-header 'Simplify migration and modernization with a unified platform, or find an expert to help with your migration. Learn more'. Three main cards are shown: 'Servers, databases and web apps', 'Databases (only)', and 'Explore more scenarios'. Each card has an icon, a title, a description, and a call-to-action button. The 'Servers, databases and web apps' card has a 'Discover, assess and migrate' button. The 'Databases (only)' card has an 'Assess and migrate databases' button. The 'Explore more scenarios' card has an 'Explore more' button. A left sidebar contains navigation links for 'Migration goals' (Servers, databases and web apps; Databases (only); VDI; Web apps; Data Box), 'Manage' (Discovered items; Properties), and 'Support + troubleshooting' (Diagnose and solve problems; New support request).
