Indonesia's Leading ICT Solution for Medium & Large Enterprise since 1983

Realta Chakradarma has been forming partnership with its clients since 1983. Back then, you would have made partnerships with the Three original founders. Today, you are partnering with over Three hundred ICT Professionals. Whether three, three hundred, or three hundred thousand, Realta's corporate culture of Integrity, Teamwork, Holistic, Achievement, Creativity, and Advancement is the guarantee that you will enjoy a fruitful, long-lasting partnership. Realta is made up of innovative and passionate people having different but complementary ICT backgrounds: Software, Hardware, and Network Infrastructure. We call the dynamic interplay of experts, which come together as a team and produce the most optimum and impactful solution, as **ICT ONE Solution**.

ICT ONE Solution is the reason why you should choose Realta as your partner! On the foundation of **ICT ONE Solution**, we have worked with countless partners to deliver a solution that aligns your Business Goals with your ICT investment. Thus, together with your internal ICT team, we will develop and implement the right solution, one with immediate impact and high returns. And beyond these immediate goals, our support and maintenance will continue to help you outpace the competition through innovation. Whether it is innovation in hardware, network, or new software solutions, we will provide you with the answer that is best for your business.

“ Realta Chakradarma, we deliver Peace of Mind through **ICT ONE Solution** ”
