

MYHEALTH.ai 

**MYHEALTH.ai**

**AI-Driven Employee Wellness  
Application**

**IP Co-Sell**

MYHEALTH.ai brings health to your door, driving wellness and compliance to help curb the spread of the COVID-19 pandemic.

This intelligent solution revolutionises employee wellness, safety and health by enabling employee home check-ins, temperature screening and touchless office access.

MYHEALTH.ai has been built using Microsoft Azure Cognitive Services, and utilising PowerApps & Microsoft Teams as a vessel for data collection. This product will be made available on Microsoft Azure Marketplace and Microsoft AppSource in July 2020.

Employee wellness

**Stay in touch with your employees and their wellness**

ProActive support

**Real-time data checks to proactively support staff at home**

Hello Carel du Toit!

We would like to find out how you are doing every day to make sure you are safe and healthy.

Please tell us, how you are feeling today?

I'm Healthy I'm Feeling Sick

11:02  
I'm Healthy

MyHealth.Ai Chat Bot 11:02  
We're glad to hear that!

Can you please confirm that you **do not** have any of the following Symptoms:

- Coughing
- Fever
- Red Eyes
- Difficulty Breathing
- Loss of Smell or Taste
