By getting this product, I give Microsoft permission to use or share my account information so that the provider can contact me regarding this product and related products. I agree to the provider's terms of use and privacy policy and understand that the rights to use this product do not come from Microsoft, unless Microsoft is the provider. Use of AppSource is governed by separate terms and privacy.

Zeitplan.io provides a high level project & team management tool right inside Microsoft Teams.

Zeitplan.io is a simple and intuitive tool to manage your team's workload. It helps you to plan the schedule for your colleagues and shows who's available for new projects.

With Single Sign-On through Microsoft 365 you can get started right away. Simply add team members to the calendar view from your company's directory - no separate accounts needed!

Create projects and assign them to your team. Choose who has access to Zeitplan.io and which members can edit the schedule.
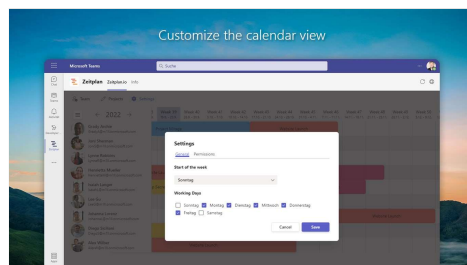

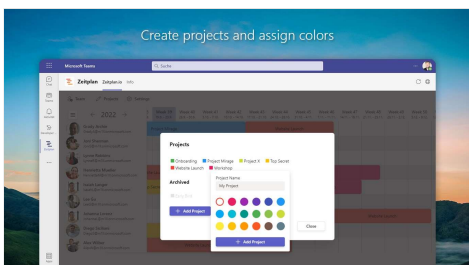

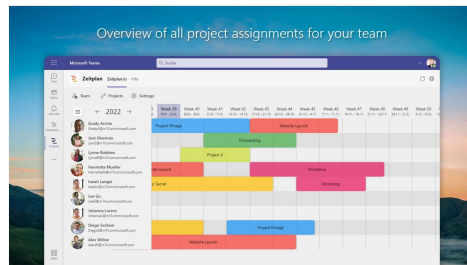

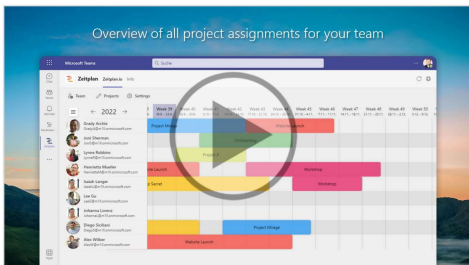

The calendar view can be configured to your needs by selecting working days and start of the week.

Add-in capabilities
When this add-in is used, it

- Can send data over the Internet
- This add-in can access personal information on the active message, such as phone numbers, postal addresses, or URLs. The add-in may send this data to a third-party service. Other items in your mailbox can't be read or modified.
