## ***INVEST IN KOARETECH TECHNOLOGY***

## SYSTEMS AND COMPUTER ON THE CLOUD

- We are specialists in the migration of collaborative **on-premise** environments **to cloud** and pioneers in cloud migration 2 cloud.
- Since 2004 we have been helping clients to automate their collaboration processes using the tools of the suite of Microsoft like SharePoint. Emphasizing that we have been the first certificates in Spain with **Binary tree** in 2018. (best solution recommended by Microsoft). And we have migrated in the last 3 years more than 25,000 Office 365 mailbox.
- We design the optimal **coexistence** environment between the 2 platforms to minimize the impact to the user, accompanying him in the adoption of the new tools.
- Finally, we advise the client in applying the best plan of licensing, thus minimizing costs.
