Everything Dynamics

Ciellos is a Microsoft Development Center and Gold Certified Microsoft partner – we partner with Microsoft to extend capabilities and solution excellence with Microsoft Dynamics 365.

Ciellos has a proven partner centric business model supporting technical excellence, global project delivery, and repeatable methodology. Our deep experience on migrations and implementations comes from 20+ years working with Microsoft, Microsoft Partners and Customers, and Microsoft technologies specifically in Microsoft Dynamics 365, and all previous versions of Dynamics AX, NAV and CRM.

What makes us successful, is our teaming approach, application of Solution Architects to overall project governance, and a deep seeded passion for solution excellence, quality, and continuous improvement.
