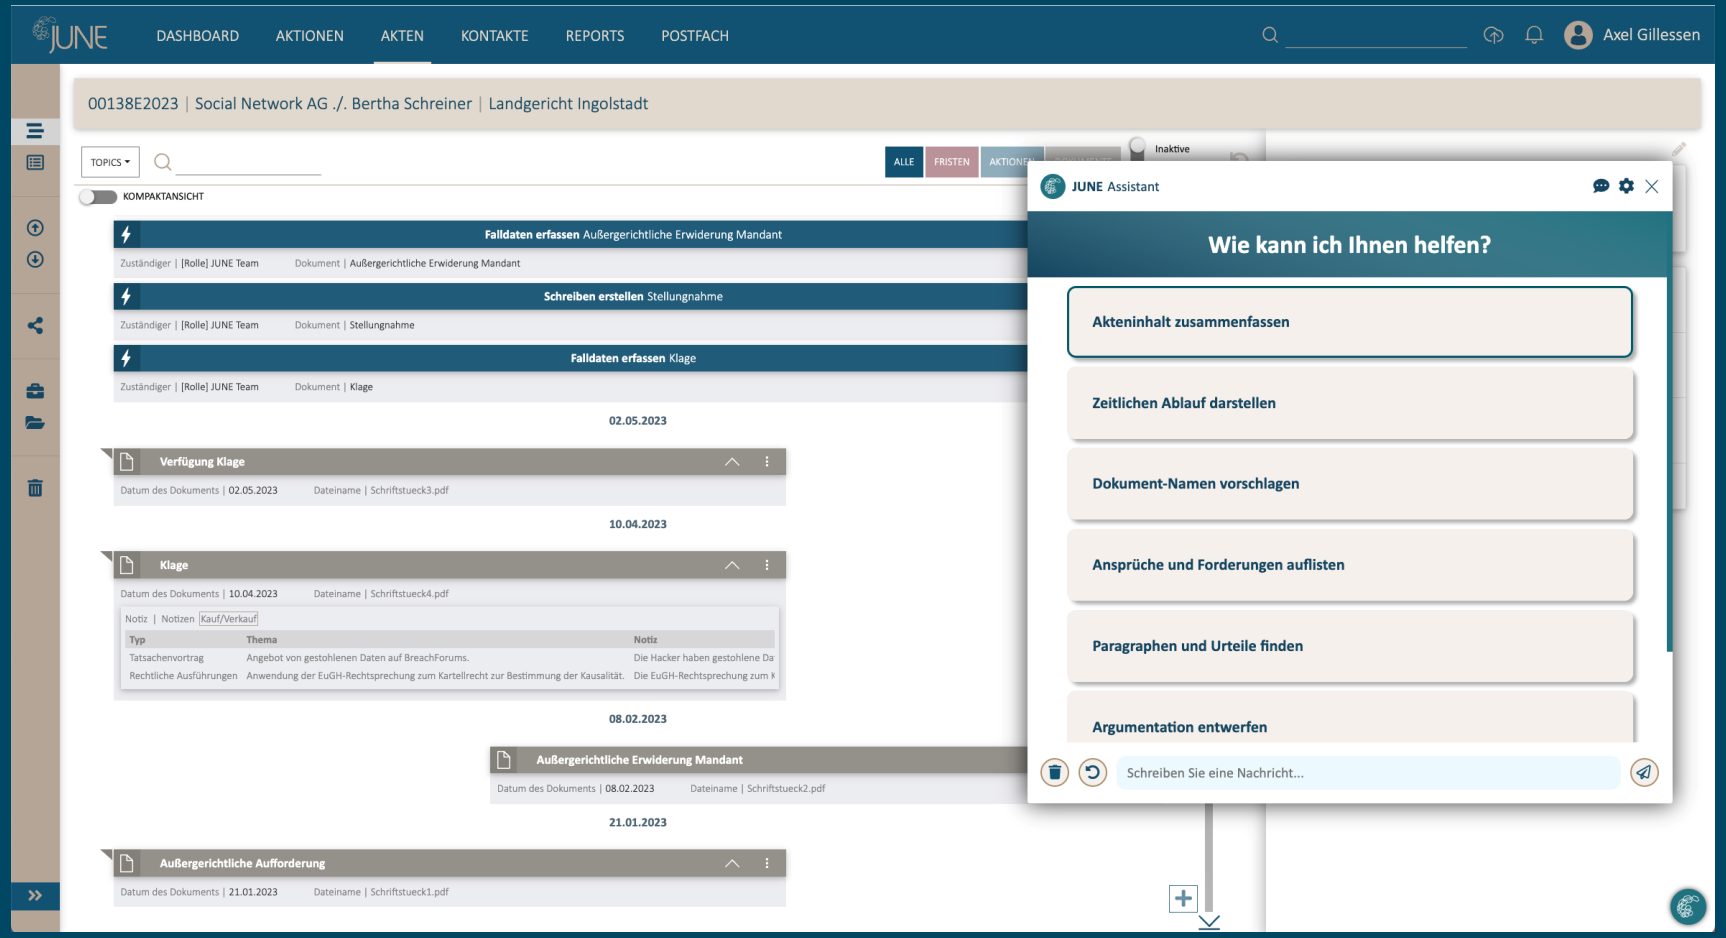
Found deadlines from document
Create
Notice of Defense | 2 Weeks from Zustellung
Statement of Defense | 2 Weeks from Ablauf No...
06/23/2023 11:00 | Gerichtstermin
Count 1

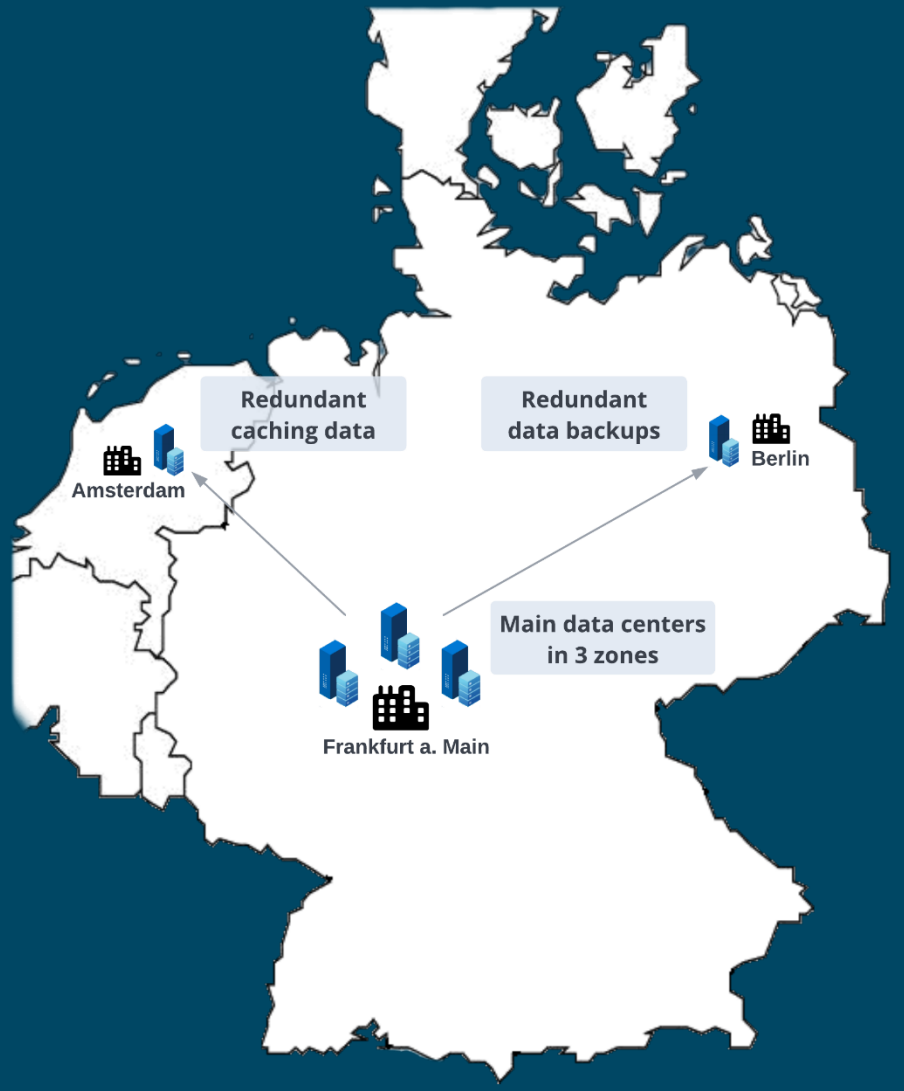
JUNE Assistant | enhanced by Azure OpenAI



- Draft documents
- Case memos
- Paragraph notes
- Start workflows

Security and redundancy

- ✓ JUNE GmbH is ISO 27001 certified
- ✓ Data is stored exclusively in EU Microsoft Azure data centers with comprehensive compliance certification (including ISO 27001, 27017, 27018, SOC 1, 2 & 3, C5, TISAX)
- ✓ Protection of data from external attacks (e.g. DDOS); continuous monitoring of data streams by Web Application Firewall
- ✓ Regular penetration tests by IT security service providers
- ✓ JUNE Enterprise SLA guarantees high availability and optimal user experience



Data encryption and storage

Data storage

is encrypted, redundant and separated between customers and projects.

- ✓ Transparent Data Encryption and Encryption at Rest
- ✓ „Bring your own key“: Generation of own keys via own hardware security module
- ✓ All data transmissions (TLS/SSL) are encrypted (AES 256)
- ✓ Authentication of APIs and clients through Microsoft Identity Platform (RFC 7519 compliant)

Access to stored data and information

on expiration of the contract or mandate according to your specifications and requirements.

- ✓ Option 1: export of documents and data
- ✓ Option 2: transfer of data to a cloud storage of your choice
- ✓ Option 3: JUNE stays available in archive mode

Commitment to § 203 StGB

by JUNE and all appointed service providers.
