

Finvu Finsense

Collaborate in the AA ecosystem

Benefits of Finsense

- **Collaborate quickly into the AA ecosystem with Finsense**

Finsense serves as a gateway into the AA ecosystem. Platform is for institutions to be part of AA ecosystem as Data Consumers.

- **Accelerate growth with focus on business, rather than IT.**

Focus on your business specific use cases and innovation rather than an IT platform.

- **Move into a flexible operating expenditure budget with Finsense.**

Shift platform development costs from capital expenditure to flexible operation expenditure budget.

- **Reduce time-to-market with adoption of Finsense platform**

Always stay up-to date with the AA ecosystem Specifications and APIs with Finsense timely platform upgrades.
