EXECUTIVE SUMMARY

Objective

We believe each part of the nature is beautiful. Only our perception should be altered. For the same we are coping to add each scenic beauty by deploying the touse.

Goals

Our main goal is customer satisfaction, at the same time, we are also preparing the platform for the upcoming travel agent and existing travel agents in the form of a mobile application named "Vihari." We wanted to provide our customers a non hopping complete relaxed with best scenic nature beauty, all at one place, as we believe each area having its own significance, we want to make those places more beautiful with the help of locals, so that India standard also will be increase, and finally here come our ultimate goal of contributing to India, and helping the India for sustainable development even in the rural areas.

Solution
