Insurance Technology Innovations

Enable insurance products for your business

Fast forward to the future of insurance

Reduce time and effort for selling Insurance Products, get a Single web app to service multiple insurance products from multiple insurance companies

Fully Compliant with Insurance Regulations

Built by team of senior insurance professionals

Completely Online Process for procuring and servicing insurance

Multiple Insurance products added, can add more insurance products

Customer Service is also completely online

Very low effort for payment reconciliation

Easy insurance placement for all insurance products across all geography

Website + App SDK Platform for all Insurance products

In-built Bite size insurance products for enhanced protection

Can manage thousands of accounts with self login, claim mgmt. coming soon

Many workflows inbuilt

Our differentiation

Why Choose Us

- Instant setup and very easy to use
- Support for both technology and marketing
- Flex Benefits added

Insurance Products

Many innovative low-cost insurance products especially made for Farmers and Micro-Entrepreneurs

Startup India Approved

Our company is approved by Startup India, and we are working with Govt of India for Insurance Innovations in multiple segments like Cooperative Banks, Societies, SFG across country

Marketing Support

We provide various marketing collaterals like posters, flyers, banners, emails, SMS, whatsApp design and content so that your team can use them to promote insurance faster

Easy placements

Hundreds of advanced features to automate insurance processes

Faster Rollout

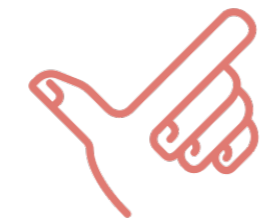

Using automated configuration and excel upload to create accounts, policies are created very fast

Deep Innovations

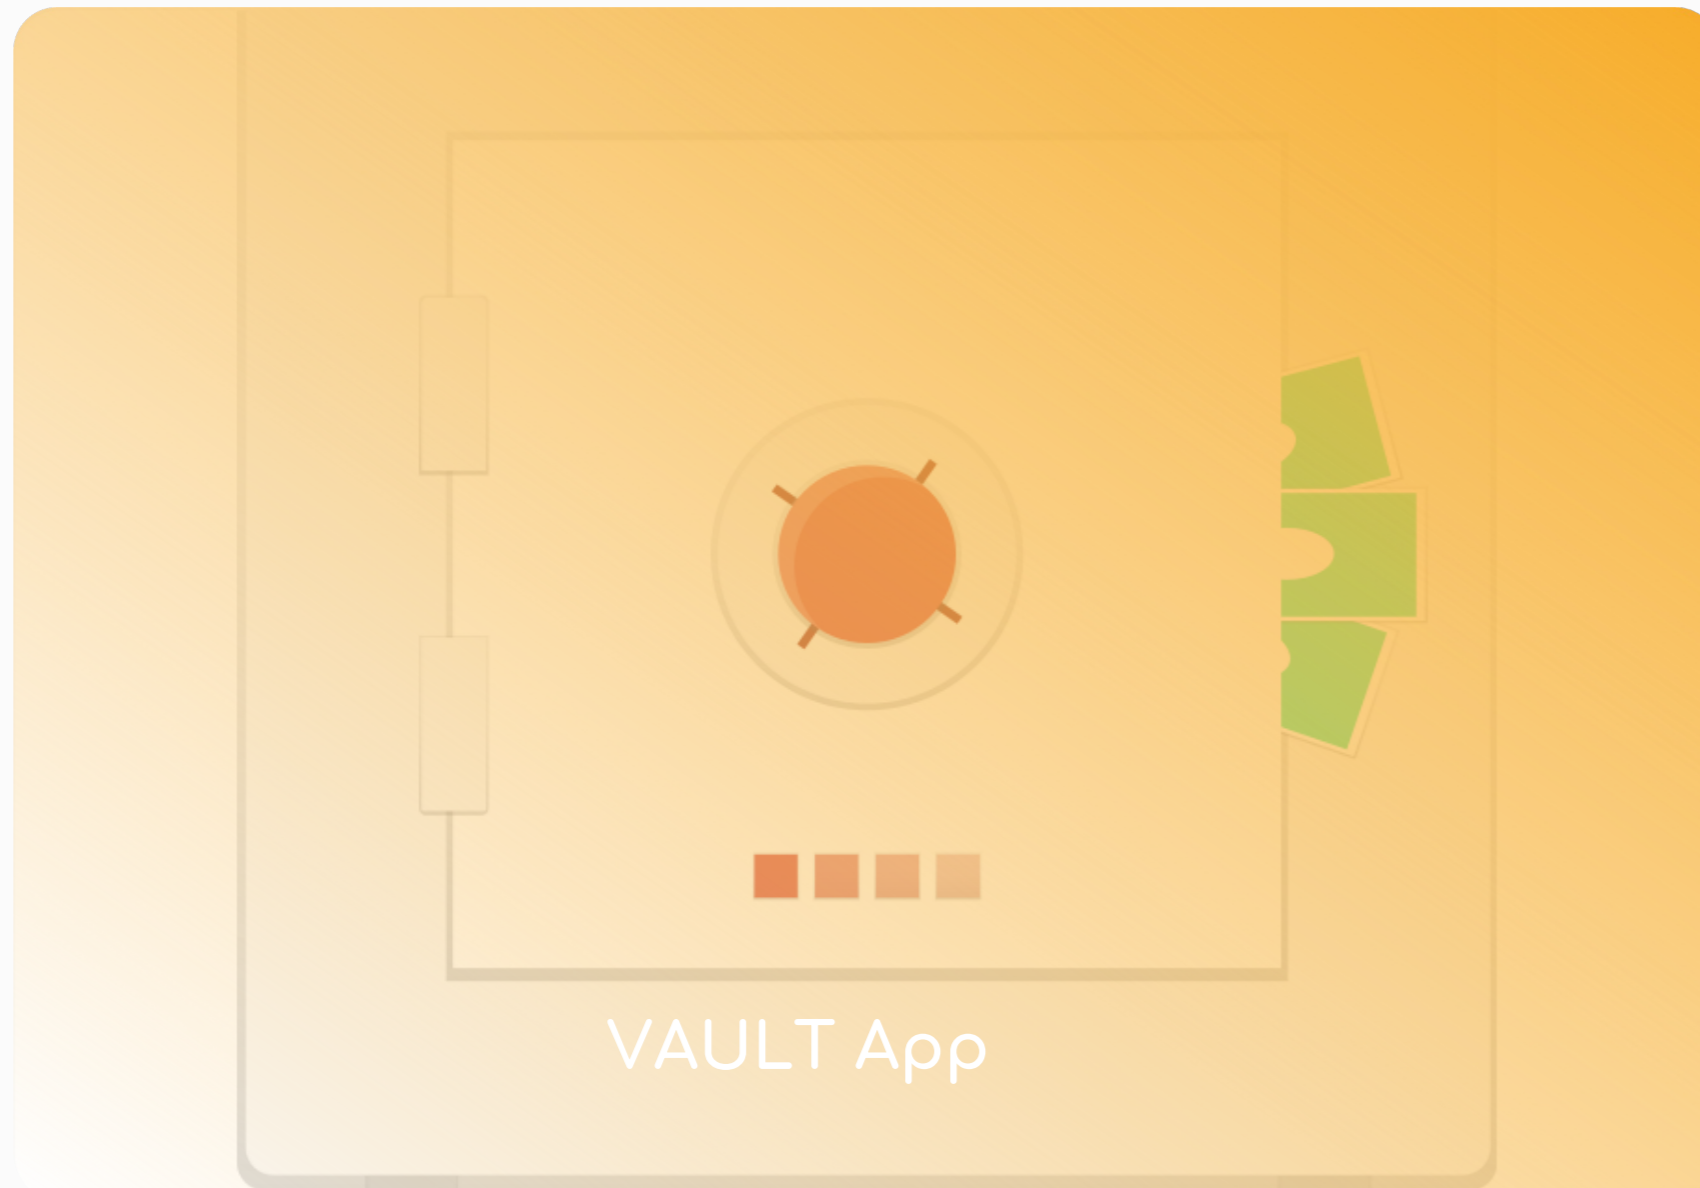

Multiple innovative products for various insurance use cases

XPCover Products

VAULT

Bancassurance App

Bancassurance App

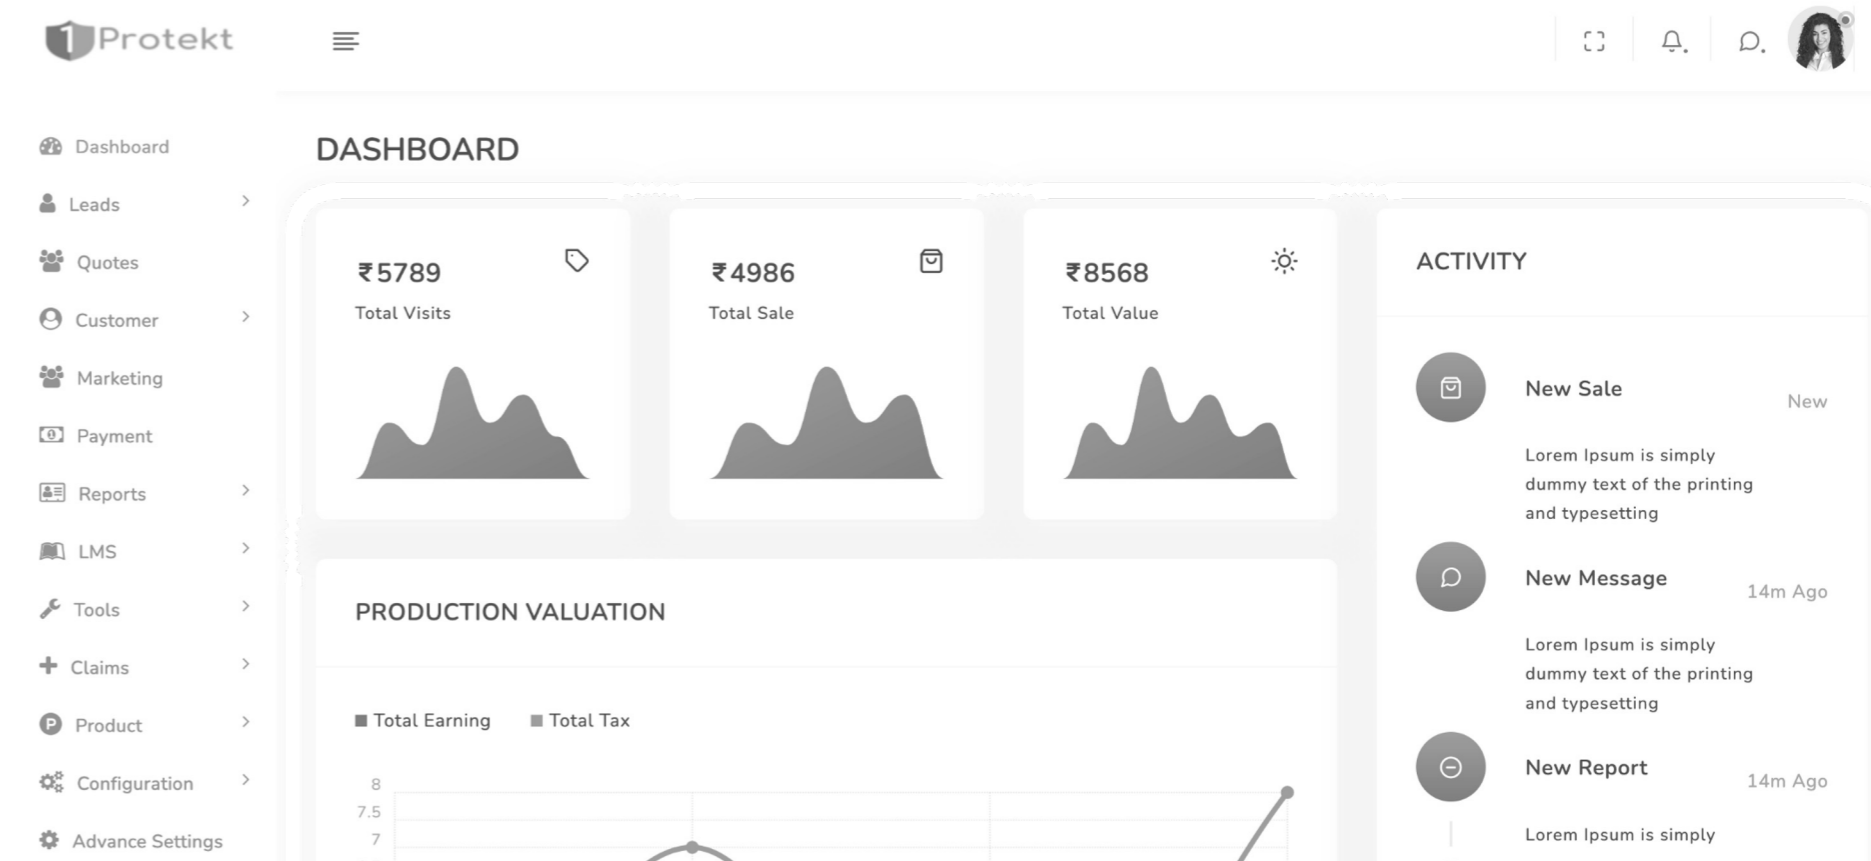

Can be used by Insurance Companies for their own business

Can be used by Banks

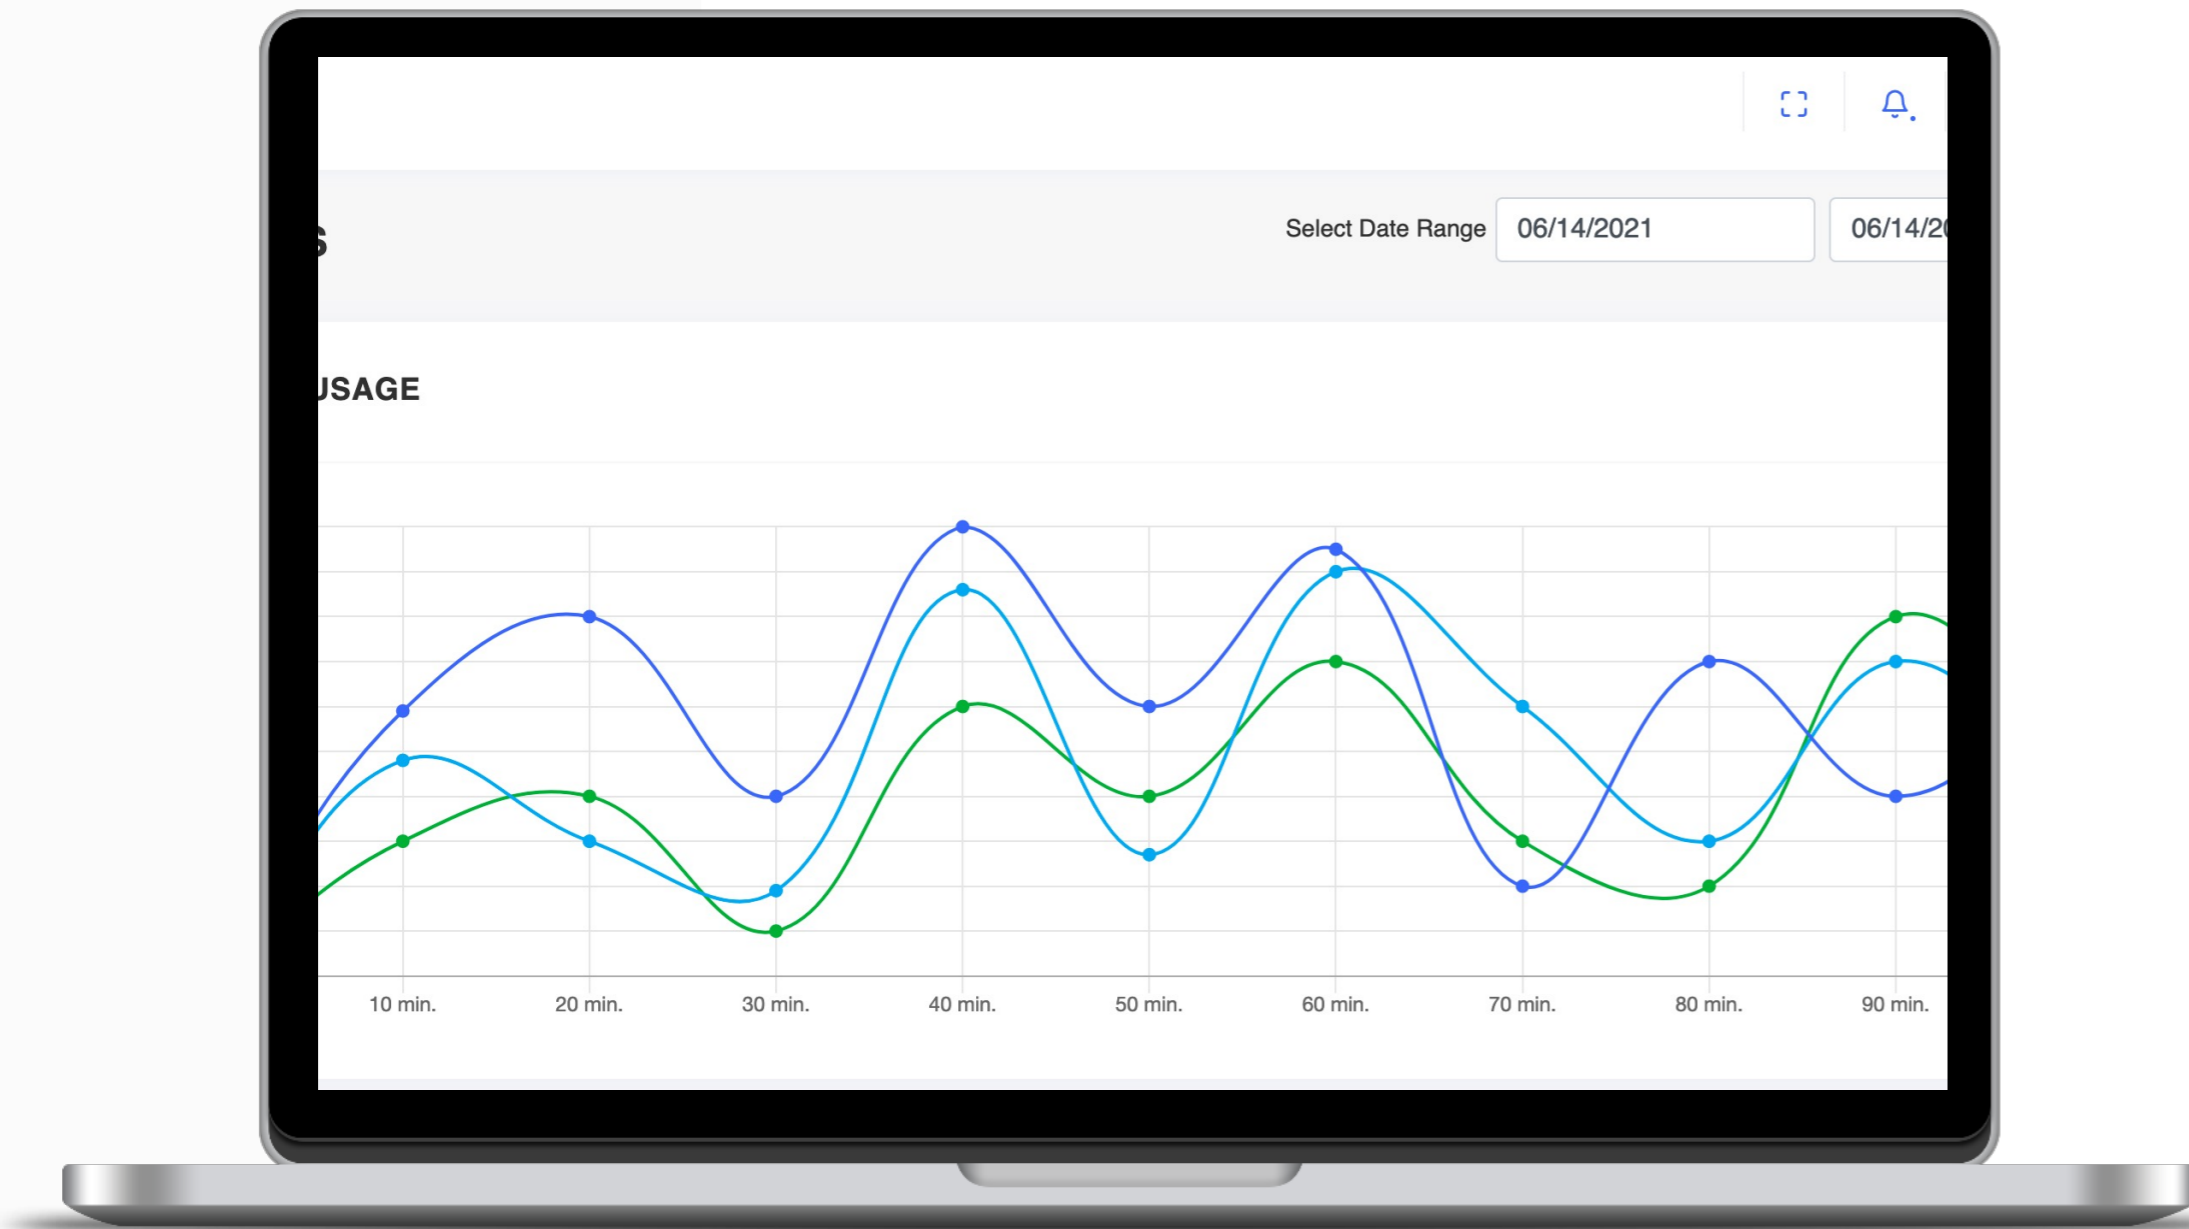

Can be used by Brokers

VAULT APP

- Many unique low-priced insurance products configured for clients
- Both front end and admin dashboard

The screenshot shows a web application interface with a sidebar on the left and a main content area. The sidebar contains navigation menus for 'NAVIGATIONS', 'APPS', and 'PAGES'. The main content area is titled 'Manage Employees' and displays a confirmation dialog. The dialog has a title 'Status' and two rows of data: 'Employees Removed*' with a value of '24' and 'Wallet Updated With*' with a value of '₹ 85,000'. Below the data is a blue 'OK' button. The top of the application shows a search bar, a balance of ₹ 1,43,123, and a user profile for George Martin. The footer of the application contains the text '2018 Copyrights © DigitalHeaps'.

I'm having problems with my software Mar 06

Fletch Skinner Mar 06 2018, 10:30 PM

Hi, Could you help me with a thing?

- Even the all-powerful Pointing has no control about the blind
- A small river named Duden flows by their place and supplies it with the necessary regellialia. It is a paradisematic country in which roasted parts of sentences fly into your mouth.

What happend with the four missing items?

Fletch Skinner Mar 06 2018, 12:02 PM

A wonderful serenity has taken possession of my entire soul, like these sweet mornings of spring which I enjoy with my whole heart. I am alone, and feel the charm of existence in this spot was created.

Attached file: 02_Creative Agency.jpg & 04_About-Us.jpg

Dominic L. Ement Mar 06 2018, 04:15 PM

Hi,Sorry for the delay we was in helidays.please send me your listed questions.

Fletch Skinner Mar 06 2018, 04:30 PM

Hi, Could you help me with a thing?

- What's happened to me? he thought. It wasn't a dream.
- A picture that he had recently cut out of an illustrated magazine and housed in a nice, gilded frame.It showed a lady fitted out with a fur hat and fur boa who sat upright, raising a heavy.

Dominic L. Ement Mar 06 2018, 06:45 PM

Assistant plugin not active, it triggers fatal errors!

- Even the all-powerful Pointing has no control about the blind texts is an almost unorthographic life One however line of blind by the name of Lorem Ipsum decided the far World of Grammar.

Ticket Status

The screenshot shows a 'Support Tickets' dashboard. At the top, there's a search bar and navigation icons. Below that, a 'Quick Statistics' section displays 'Total Tickets: 64 This Month' and 'Open Tickets: 28 This Month'. A bar chart shows ticket counts for 2018, with August highlighted at 15 tickets. The main section is a table of 'Latest Tickets (Showing 01 to 06 of 45 Tickets)'. The table has columns for Ticket ID, Subjects, Customer, Status, and Last Update. The status is indicated by colored buttons: orange for 'Open', grey for 'Pending', and light blue for 'Closed'.

Ticket ID	Subjects	Customer	Status	Last Update

U/W- List of Tasks

The screenshot shows a dashboard with a sidebar on the left containing navigation items like Dashboards, Layouts, Mailbox, and Ecommerce. The main content area features a 'Widget' section with four summary cards: '3210 Happy Customer', '4230 Projects Completed', '432 Award Winning', and '124 Branches'. Below these are a 'Pie Chart' and a 'Line Chart'. An 'Assign to' modal is open, showing a dropdown for 'Employee' with 'Rohit Saxena' selected and a 'Current Workload' of '10 Clients'. Below the modal is a table of 'Active Tasks (4/5) Today' with columns for Name, Folder, Date, and Actions.

Ins Sales Team

The screenshot shows a web application interface for 'Manage Employees'. The top navigation bar includes the 'Gleek' logo, a search bar, and the user profile 'George Martin'. The left sidebar contains navigation options like 'Dashboards', 'Layouts', 'Mailbox', 'Ecommerce', 'Calendar', 'Messenger', 'Contacts', 'File Manager', 'To-Do', 'News Feed', 'Invoices', 'Events', '404 Page', 'Projects', 'Coming Soon', and 'Profile'. The main content area is titled 'Manage Employees' and displays a table of employee records. The table has columns for 'Select', 'Emp ID', 'Status', 'Employee', 'Policy Active from', 'Service', and 'Total'. The first row is highlighted, showing 'Lingui' as the employee name. Below the table, there are pagination controls and a 'Next Step' button.

Select	Emp ID	Status	Employee	Policy Active from	Service	Total
