Welcome to UC School

By
Unique Creations Software

Why do you need UC-School ?

◉ **Reduce Paper Costs:**

  ◉ Schools run on paper.

  ◉ From student files to applications to report cards, paper is major expense that most schools struggle with.

  ◉ This gives schools potential to save thousands on paper alone and makes them eco-friendly to boot.
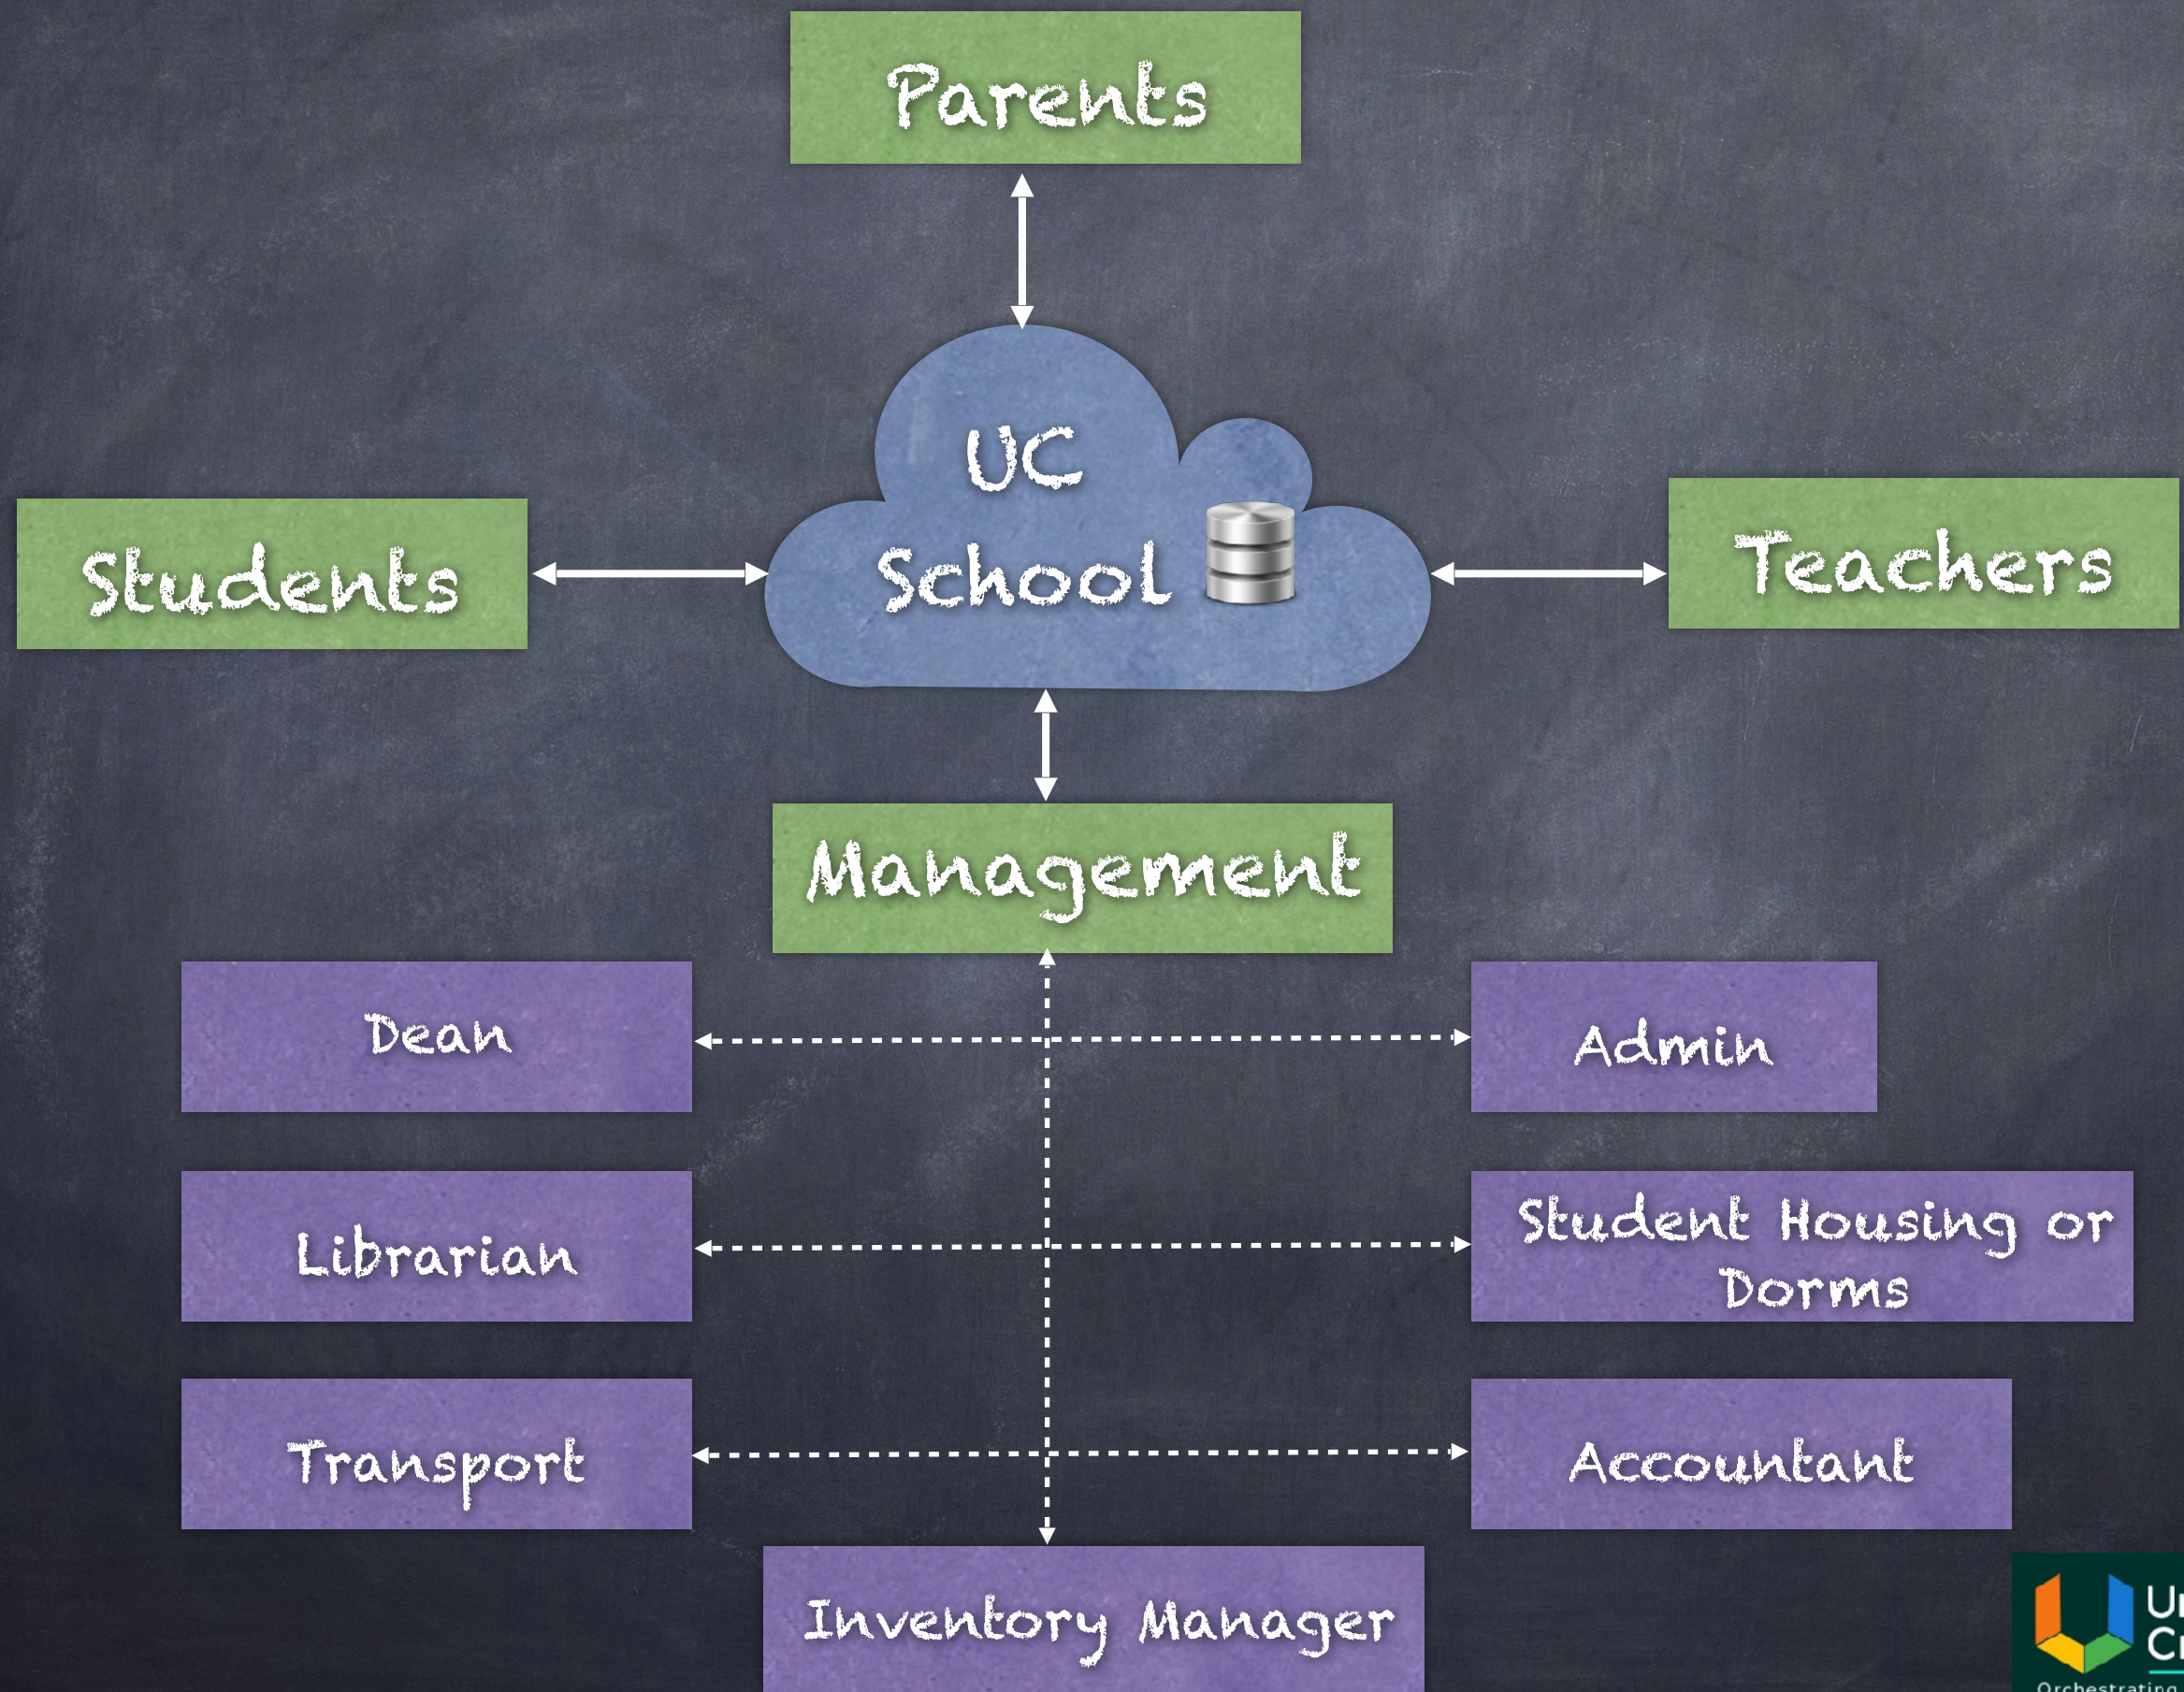

◉ **Reduce Employee Hours:**

  ◉ Automation reduces working hours.

  ◉ If you're relying on hourly employees to do the tasks that have now been computerized, let UC School do the heavy lifting.

  ◉ Save money on overtime, benefits and salary by switching to UC School.

◉ **Reduce Meeting Time:**

  ◉ No school could function without regular meetings.. Or could it?

  ◉ UC School provides streamlined communications systems so that parents, teachers and administrators can all work together – without wasted face-to-face time.
