Testimonials

Founder of
Olino Crepe & Tea

“BUZZEBEES is the only one brand that can connect B-POS with CRM PLUS”

“we can manage 100 branches with one account conveniently”.

Co-Founder of
Posh Up Car Detailing Center

“B-POS can help us by collecting customer data (e.g. car model), so we aware our customer segments by customer’s car model.”

“We can see daily and real-time revenue, so we can aware which promotion did well. Then, we can offer the right promotion to the right target.”

Co-Founder of
YenlyYours

“B-POS system connects to B-POS Manager application”

“Although we’re in Bangkok, we can still check other branches’ performance even it’s located in upcountry areas by real time.”
