

# pingbix

the business communication  
suit

How you do your business  
communication with your  
customers?

The image features a dark blue background with several abstract elements. In the top left, there is a 4x4 grid of small white dots. In the top right, a portion of a large red circle is visible. In the center, there is a red square partially overlapping a dark grey semi-circle. To the left of the square is a white speech bubble outline, and to the right of the semi-circle is another white speech bubble outline. In the bottom left, there is a white wavy line pattern and a red semi-circle. In the bottom right, there is a 4x4 grid of small white dots.

But you can't expect things  
to stay the same.

Here we come to support your  
business with the most effective  
multi cloud communication  
solutions

# About Pingbix

A company started in 2018 with the name Colortext digital, with the vision of cent percent customer satisfaction in the field of business communication suit which provides end to end solution for taking your business to the next level by providing a wide range of products such as SMS, voice, marketing automation and so on.

Over the period of time, Colortext digital rebranded as Pingbix in 2020, which has big names in its partner list such as hyundai , TDI Group, Haldiram, Roundglass, Khatabook, Medlife, RentoMojo, and many more and Pingbix is now CPaaS service provider firm in India.

The secret behind our quick growth is the vision of customer satisfaction and our experienced team as we are the stigma of a strong sales and technology background. Our team has a decade of industry experience in this domain, which can be seen in our results.

We offers a door into various kind of digital transformation. Business can can use API, SDK etc to embed into application to automate the process.
