

# Polish Language

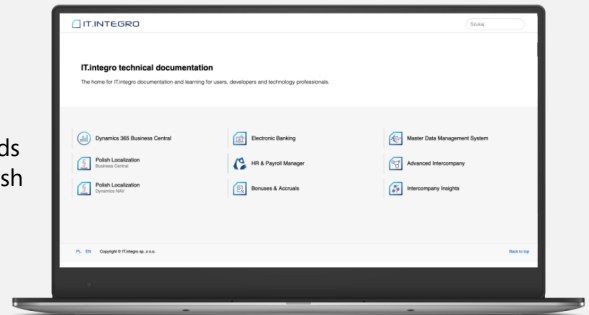

## Polish Language (Poland) for Dynamics 365 Business Central

Work with Dynamics 365 Business Central in the Polish language

### Documentation

Polish Language (Poland) enables Microsoft Dynamics 365 Business Central users to work in the Polish language. When executing processes and performing their tasks, users can easily switch the UI, tooltips, and commands between the English and Polish language versions. To learn more about Polish Language (Poland) and Polish Localization, read IT.integroDocs.

### Prices

| Application Name                               | Perpetual License<br>(BC on-premises) | Subscription per month<br>(BC on-premises & online) |
|--|---------------------------------------|---|
| Polish Language (Poland)                       | 50 EUR + EP<br>Full user              | 3 EUR<br>Full user / month                          |
| Polish Localization + Polish Language (Poland) | 180 EUR + EP<br>Full user             | 12 EUR<br>Full user / month                         |

- Polish Language (Poland) can be optionally purchased with the [Polish Localization](#) application that extends Business Central functionality with features that support Polish legal requirements.
- The price of the application is listed for 1 full user in the Dynamics 365 Business Central Essential and Premium license.
- The price does not apply to the Team Member and Device license in Business Central.
- In the case of the Perpetual License, the prices should be increased by an annual fee for the Enhancement Plan (EP). The fee amounts to 17% of the license value.
