

Teams Room Adoption Guidance

The Teams Room Adoption Guidance engagement provides a clear outline of the change strategy required for successful user adoption of Microsoft Teams Rooms

[See in AppSource >](#)

Overview

This free 2-hour remote Teams Room Adoption Guidance offering consists of Assessment and Recommendation sessions. The Assessment will include your current state, processes, user readiness, potential barriers to adoption, and goals with the change. The Recommendation will include an outline reflecting your goals, objectives to meet those goals and a high-level strategy that includes resourcing, training, awareness, communication, and the relevant teams required to execute on the plan.

This offer is eligible for United States, Canada and UK.

Outcomes

In this engagement, you will:

<ul style="list-style-type: none"> Share your adoption goals for Teams Rooms and current state with a UnifiedCommunications.com ACM consultant 	<ul style="list-style-type: none"> Deployed or plan to deploy 20+ Microsoft Teams Rooms within the next 6 months
<ul style="list-style-type: none"> Receive a recommendation reflecting your goals along with a high level, step-by-step plan 	

Requirements

Eligible customers must:
