

MICROSOFT TEAMS ROOMS VIRTUAL SHOWCASE

This free 2-hour remote event will demonstrate the value of Microsoft Teams Rooms through live immersive demos, example use cases, and guidance on Teams Room hardware, furniture, and room design.

TOPICS COVERED INCLUDE

- Show how to transform any room into an inclusive space
- Demonstrate the art of the possible with example use cases and room designs
- Live demonstrations of Teams Room features and virtual tours of meeting room spaces

At the end of this event you will be equipped with guidance on how to enable hybrid meetings with Microsoft Teams Rooms, prioritize your spaces, and move into the pilot phase of your Teams Room journey.
