

Cloud Discovery Workshop

Deciding where you want to go

When thinking about the cloud, several solutions come to mind. In addition, there are a diverse set of providers offering you all the IaaS, PaaS, SaaS and other solutions you can think of. However, to start your cloud journey you first need to develop a strategy on the way forward.

WHY FOLLOW A CLOUD DISCOVERY WORKSHOP

- › Education on cloud foundational concepts
- › Better understanding of your company context
- › Further guidance on all cloud solutions
- › Clear as-is situation of your company

What happens during the Discovery Workshop?

During a five-step workshop we cover all the topics you need to define your cloud strategy, together with our customers. During this session you will get to know different facets of the cloud such as connectivity, security and identity management and there will be an open topic based on your needs. At the end of the Cloud Discovery Workshop you will be ready to make a well-considered decision on your future cloud strategy.
