Getting Started with Call IQ

Getting Started with Call IQ

A checklist of things to know about Call IQ

Karthik Natarajan avatar

Written by Karthik Natarajan

Updated over a week ago

Once the Call IQ is enabled on your account, you get 250 minutes of free credits for both video and audio calls

## **Make sure to set up the below things to get the best of Call IQ**

- [Connect your Calendar to Call IQ](#)
- [Set up the Bot to join your meetings automatically](#)
- Integrate with CRM to sync your transcript
- [Integrate with Slack to get immediate summary notification](#)
- Set up your Email notification for daily summary

## **Can't find Call IQ on your account?**

We appreciate your interest. We have enabled this as a closed Beta product. But would love to have you included.

You can drop an email to your account manager or reach out support team via in app chat or email to [support@klenty.com](mailto:support@klenty.com). We will get this enabled for you 😊

Did this answer your question?

😊😊😊
