

WHAT'S IN YOUR CUSTOMER'S POCKET?

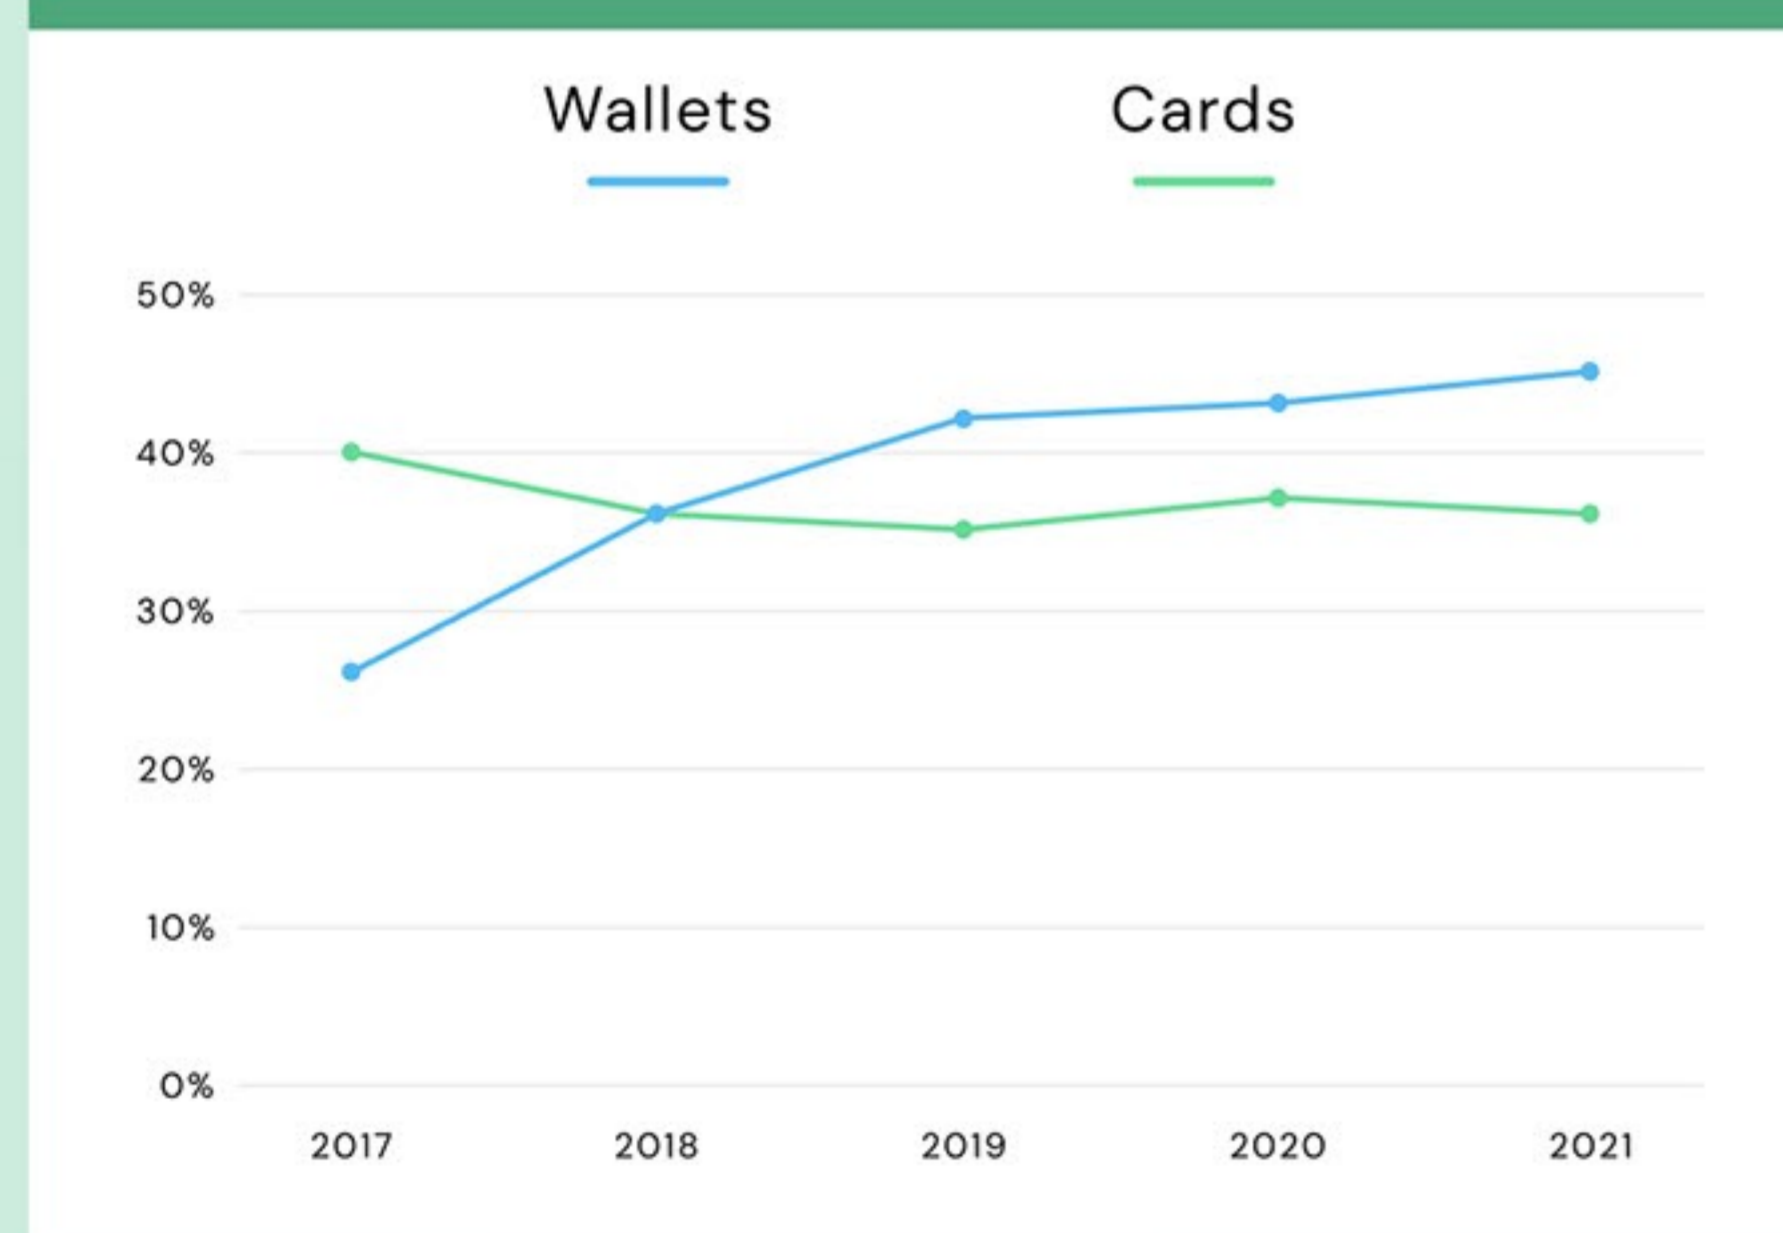

A payment method worth unlocking to maximize your company's revenue. These days, it is essential to accept the world's leading QR-Code based digital wallets and alternative payment methods to increase sales and reduce fees – ultimately adding more money in your pocket.

A COMPLEMENTARY CHECKOUT SOLUTION

Businesses can easily incorporate Pockyt's product to their existing payment flow. Our alternative payments offerings include global QR-Code based digital wallets (in-store and online), cross border remittance, Buy Now Pay Later, and major cryptocurrencies.

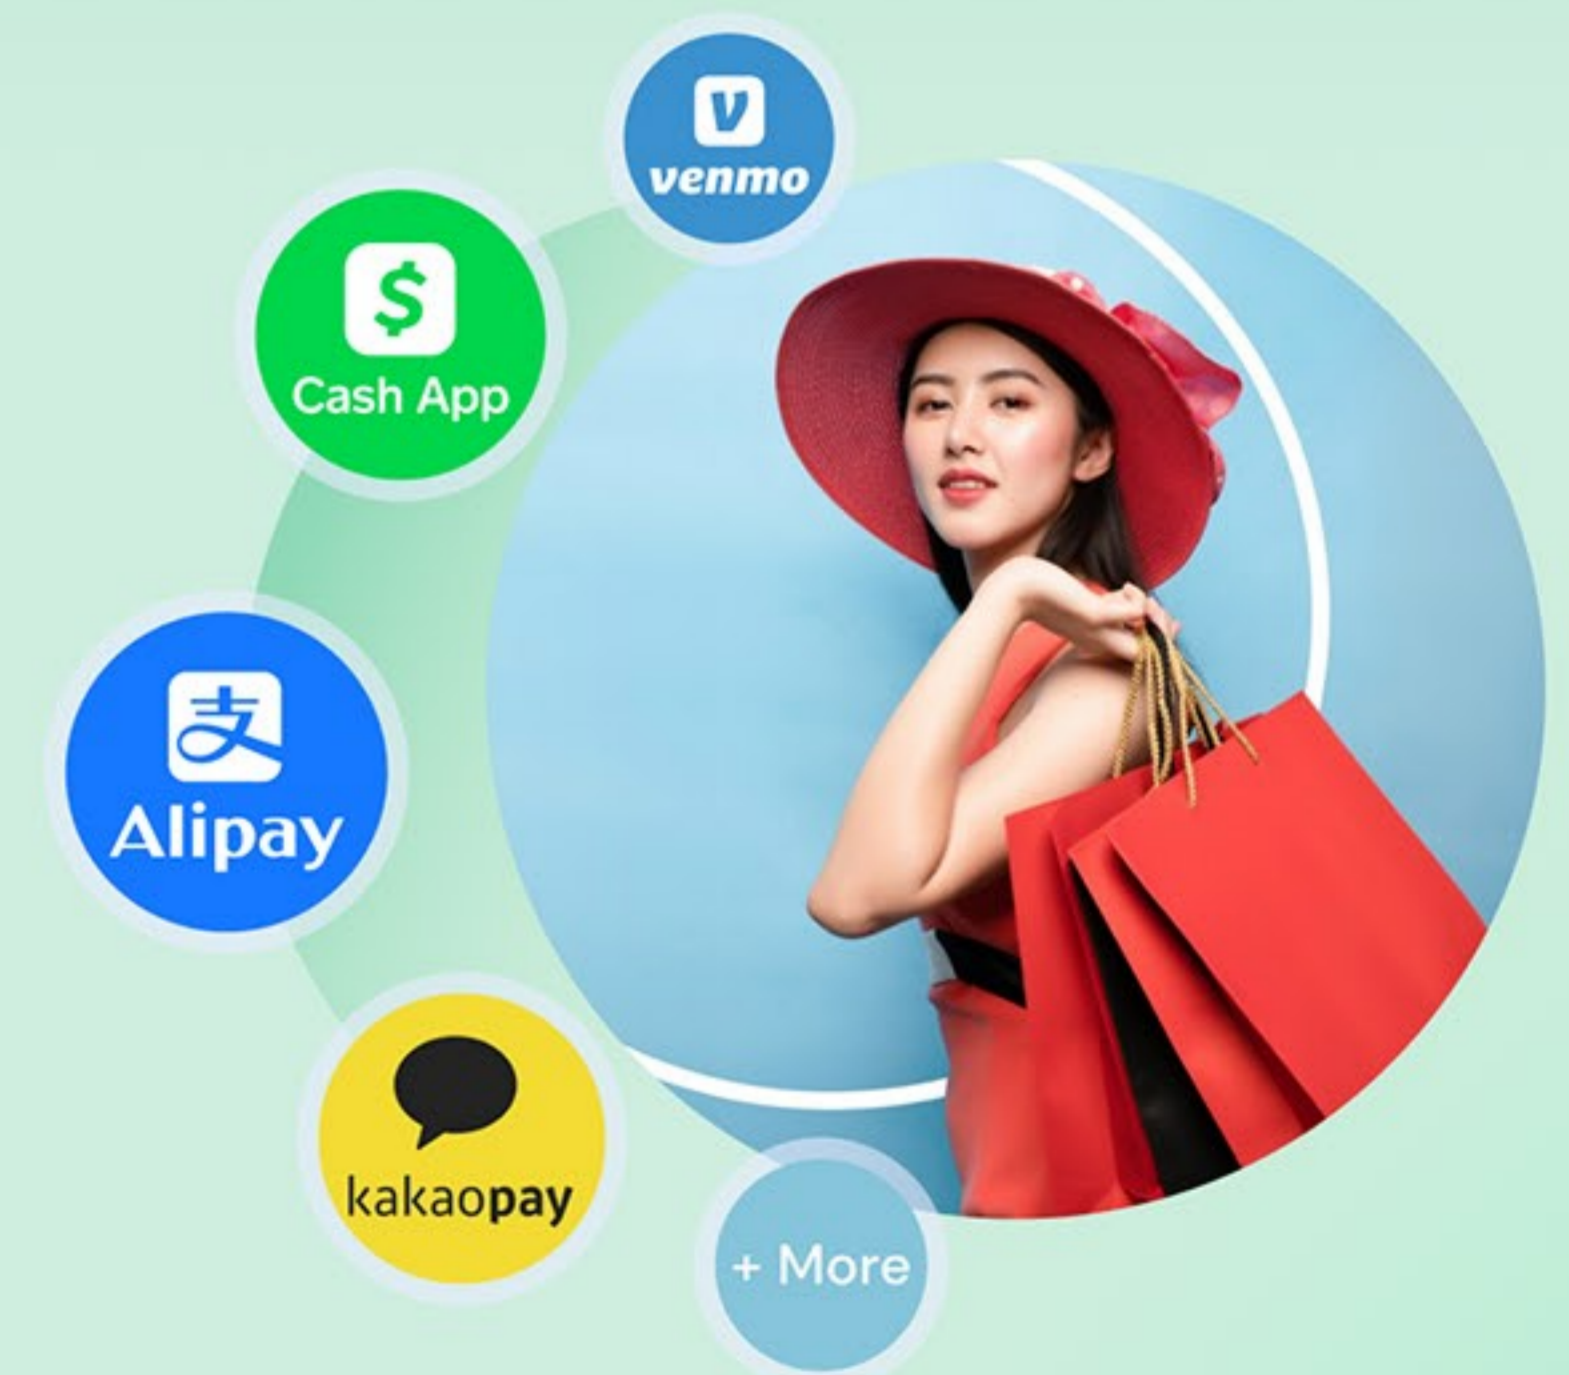

Top Payment Methods Globally

WHY POCKYT ?

- 💡 Access to over 2 billion brand new customers by accepting over 30 in-store and 100 ecommerce wallets
- 💡 Eliminate chargebacks and reduce fraud with QR based transactions
- 💡 Reduce transaction fees
- 💡 Future proof – support any number of wallets today or tomorrow with no additional development
- 💡 Drive the highest conversion rate with a multitude of ways to accept QR payments

Pockyt's on your side, every step of the way. We'll provide you with the best available options whenever you're ready for more.

PAY-IN PRODUCT OVERVIEW

IN-STORE PAYMENTS

Pockyt is ready to deploy on the world's largest point-of-sale systems, reducing friction for merchants and customers who want to pay with QR-Code wallets.

ECOMMERCE PAYMENTS

When you offer globally preferred payment methods, you expand your ability to serve your customers while driving additional revenue. QRC based payments also offer some of the lowest costs per transaction. By choosing Pockyt as your partner, you can support 1 or 100 alternative payment methods at your fingertips.

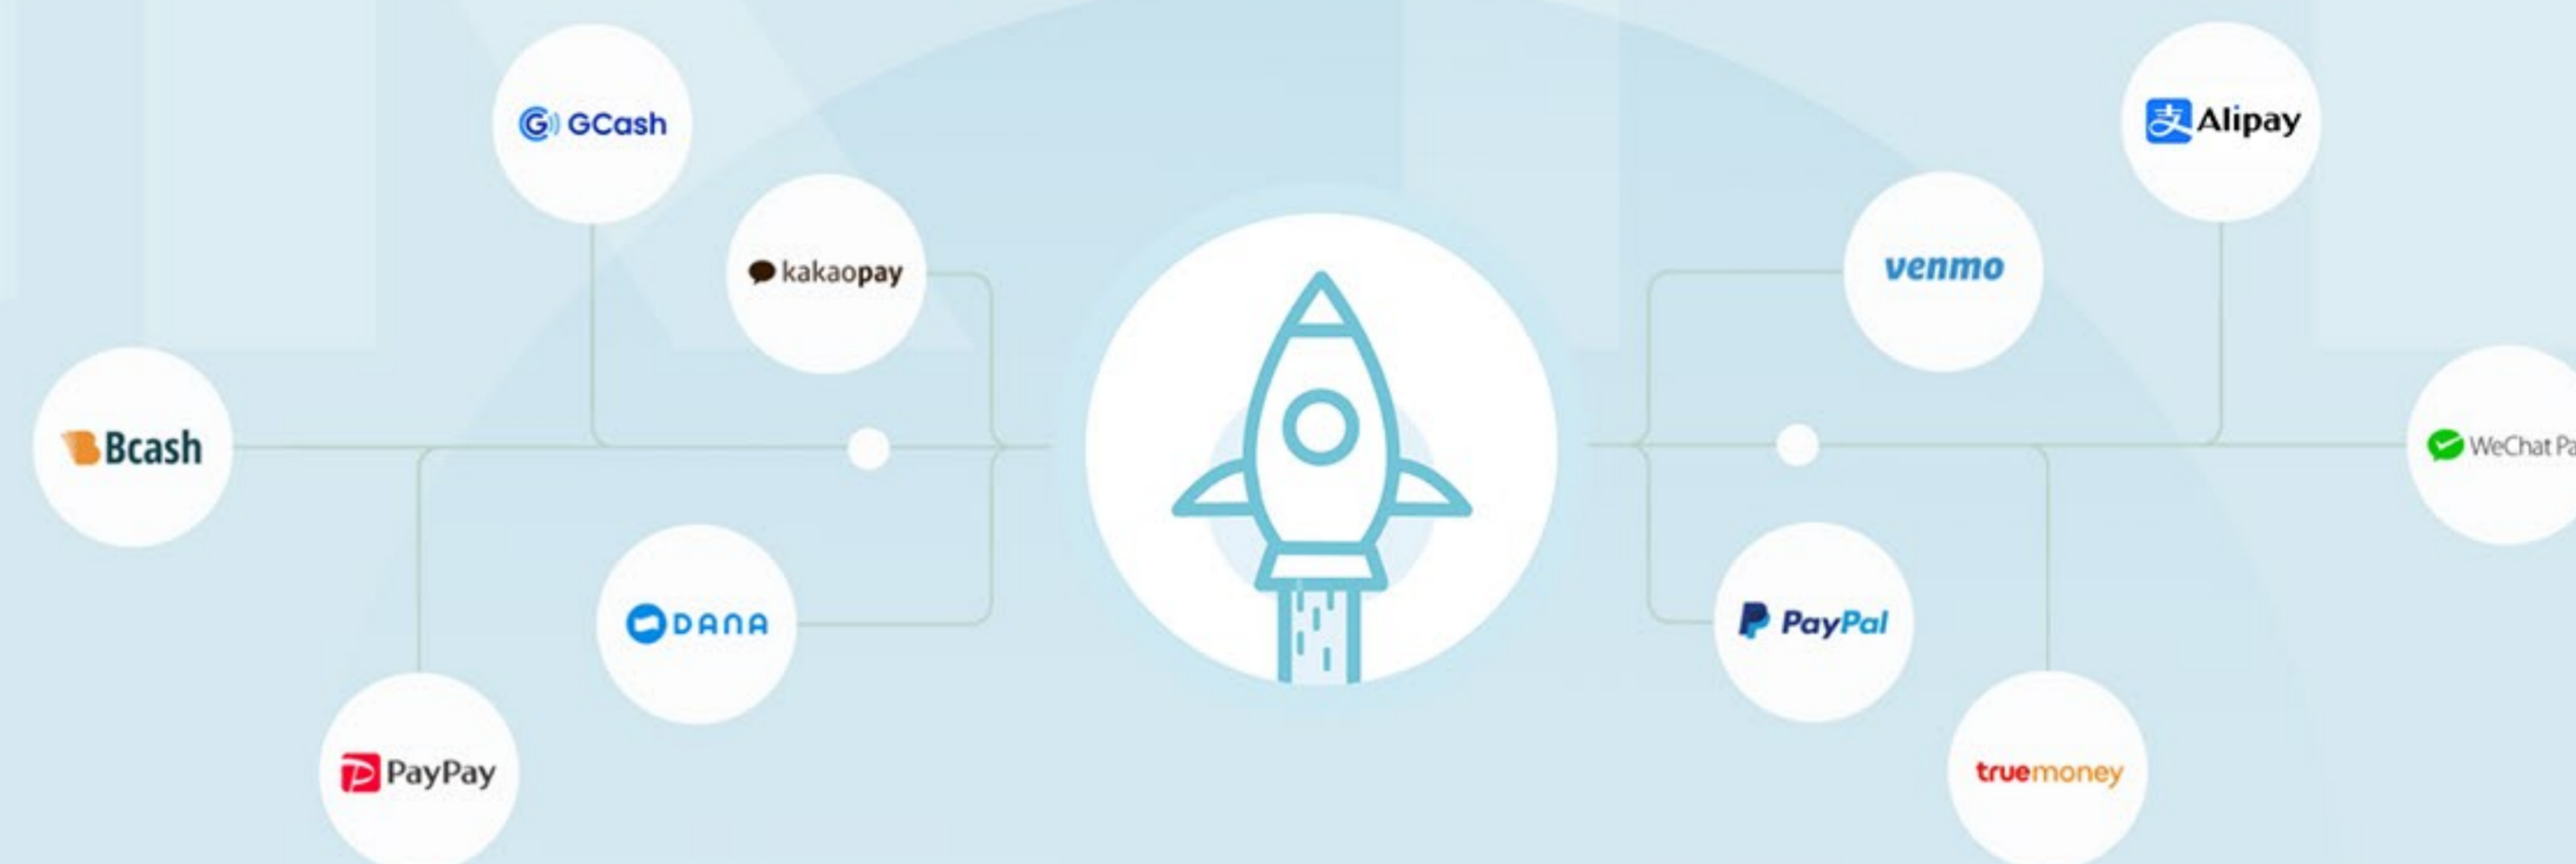

Complete your ecommerce setup within hours from any of the world's leading ecommerce platforms.

- ✓ Cartridges and Plugins
- ✓ Pockyt Hosted Checkout Page
- ✓ Pay by Link
- ✓ Configurable Integrations

INCLUSIVE MARKETING PROGRAMS

Pockyt will drive traffic to your website through our own marketing program and our wallet networks' fully funded marketing initiatives. Merchants who partner with us will enjoy frequent promotions and recognition throughout the year.

POCKYT - AN ALTERNATIVE PAYMENTS PLATFORM

With one integration to Pockyt, you can accept 100+ alternative payment methods, including QR-Code wallets, leading BNPLs and major cryptocurrencies, both in-store and online.
