Employee Experience

Empower YOU and your company to continuously improve workforce engagement and performance

@TeamCloudWay

Microsoft Viva Insights 6-8 weeks pilot

During the 6-8 weeks pilot we will

- Deliver pilot design session including discovery of scenarios to pilot
- Setup and onboard Microsoft Viva Insights trial licenses in the customer's tenant
- Enable and readout of two Advanced Analytics Power BI Template Reports
- Summarize pilot learnings, potential scaled deployment blockers and challenges
- Create an actionable plan to adopt Viva Insights and next steps
