**REMOTE / E-Delivery / eID**

# Key questions

How to use electronic signatures?

## • WHAT

What types of documents are signed?

## • HOW MUCH

What volume of documents are required to be signed ?

How many signers are there per document?

## • WHO

Are they external signers, internal signers or both?

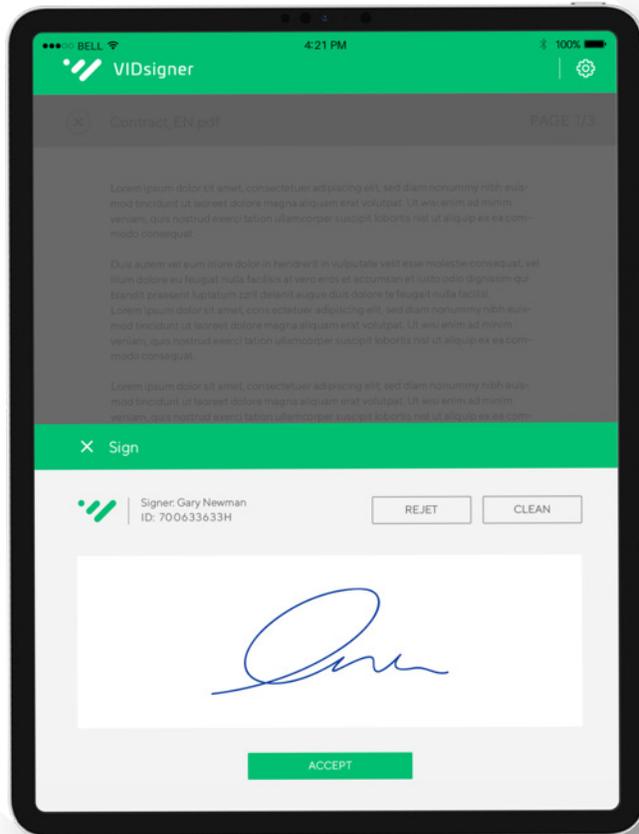

## • WHERE

Where do documents start and end?

Should they have international legal efficacy?

In which countries?

Are face-to-face or remote signatures required, or both?
