

THE PROBLEM

Trying to manually manage all stages of a contract's lifecycle can be daunting and incredibly time-consuming. General Counsels, attorneys, paralegals, and legal assistants need a better way to keep track of key renewal and expiration dates, execute tasks quicker and more efficiently, and improve the overall contracting process within your organization. Legal professionals will be able to efficiently and effectively manage your organization's and counter-parties' contracts and committals.

THE SOLUTION

CobbleStone is the leading contract lifecycle management software dedicated to helping paralegals and legal assistants manage all parts and processes throughout the life of their contracts. Whether you're looking for a way to automate contract drafting and review requests, eliminate the guesswork in identifying contract task ownerships, or just looking for an improved oversight of your contracts, CobbleStone can help. With our user-friendly platform, paralegals and legal assistants now have a one-stop solution automating the work and eliminating their stress.

With CobbleStone, Legal Professionals have:

- ✓ Automated key date and task alerts
- ✓ Centralized contract database
- ✓ Self-serve access to quickly draft contracts
- ✓ Version history
- ✓ Templates
- ✓ Dynamic clause libraries
- ✓ Workflow management
- ✓ Online negotiation portal
