

KNS IT GROUP

TECHNOLOGY DRIVEN SOLUTIONS

KNS IT Group is a global team, providing intelligent connected solutions, deployed securely over the cloud, helping organizations realize value at an accelerated rate.

From creating a migration plan to managing the transfer of applications and scripts, KNS IT Group assists corporations and government agencies make the transition to the cloud with Microsoft Azure. Our firm prides itself in delivering powerful solutions, helping enterprises overcome business challenges and transform their operations to deliver optimized results.

ACCELERATE YOUR JOURNEY TO THE CLOUD WITH AZURE

Azure Migration Services

We help companies navigate complex cloud ecosystem and provide end-to-end cloud migration services ranging from planning to execution, cloud optimization, and support and maintenance.

Power Business Intelligence Reporting Services

Our Power BI consultants, visualization architects and analytics developers build solutions to help dig deep for data and insights.

AI & Machine Learning

Leverage Azure's proven and secure AI capabilities and get the combined ability to develop AI solutions that meet your business's terms and build AI into critical applications.

Data Warehouse Services

We are specialists in efficient data warehouse design, architecture, modeling, profiling, and performance optimization solutions. We work with best-in-class management technology, making access to data easy.

Data Governance & Security

Our Azure experts can help your organization develop a tailored governance framework to help ensure that all areas of your business needs are met.
