

# ACCELERATE SUSTAINED EMPLOYEE EFFECTIVENESS

With YEAPS BESTIE for Microsoft Viva Insights

*YEAPS BESTIE\* is our program-based technology implementation service.*

*BESTIE stands for Build & Execute Systems Technology with Integrated Employees.*

*YEAPS BESTIEs will help drive both manner and matter for the powerful insights attained in the organization's health data through managed services. Enhance the employees' personal effectiveness and work-life balance, without the heavy lifting, by entrusting the operations of Viva Insights Dashboard with us.*

## An Instant-On Team to Operate and Sustain Your Microsoft Viva Insights Dashboards

Get started on understanding employee effectiveness through YEAPS BEST for Microsoft Viva Insights Dashboards; A dashboard that's not just insightful but practicable. Provide a reference hub for the employees to understand and shape the state of employee effectiveness.

**YEAPS BESTIE for Microsoft Viva Insights Dashboards enables the organization to have a follow-through on operating and sustaining their dashboards while the organization's resources usage are kept at a minimum. With us providing manpower resources, process management, and technology resources, the organization continuously benefits of insights while still focusing on matters prioritized by the company.**

## YEAPS is Your Partner for Success for Sustaining Organizational Health Dashboards to Ensure Employee Effectiveness

*Additional services are available based on an organization's needs and readiness*

Start with our **YEAPS BEST** to create the dashboards then move forward and sustain it with our **YEAPS BESTIE** for managed services
