

Viva Connections 5-day Envisioning Workshop

WORKSHOP OVERVIEW

In today's world, workers prefer flexible options for being productive both at the office and on days they work from home. Empowering people to thrive in today's environment requires reimagining the employee experience, how you create a positive culture, and how you empower managers.

What to expect at this workshop:

1. Workshop roadmap outlining potential workstreams and dependencies that will tailor your workshop experience
2. A prioritized list of business scenarios that can be addressed by deploying Microsoft Viva Connections
3. A plan for the build-out, deployment, and adoption of the associated Viva services

OUR EXPERTISE

- These competencies are earned by developing and delivering Microsoft solutions for customers, augmented by formal certifications of our personnel.
- Ranked among top Microsoft partners worldwide
- Direct relationship with Microsoft field & engineering team
