

Customer Success Story

Leading credit-card processing company

“We initially engaged HPE with a 1-day workshop that helped us understand implementation and operations in the cloud, how we’d benefit from Azure as our cloud platform, and what our best next steps should be moving forward.”

- Engagement was multi-phase beginning with a workshop
- 2016 timeframe
- Financial: Leading credit-card processing company

Win Results

Established a complete & secure solution on Azure

Automated deployment to decrease time to project completion

Reference architecture and baseline infrastructure to position team for success throughout its cloud journey
