Manage Migrate Rehydrate

Why Ultimate Migrator? – Value for Money

VfM = The Worth of a Product in Carrying Out its Intended Task:

- Biggest Bang for the Client Buck
  - — non-conventional corporate structure without the overheads
  - — reseller rates for consulting partners
  - — at least 20% below competitors in most cases
- Five different licensing models available
  - Bronze – license only & including 1 day consultancy to help with configuration
  - Silver – as with Bronze but with optional additional consulting support
  - Gold – fully managed project by Ultimate Migrator specialist engineers
  - Enterprise Licence – for high volume requirements; includes annual support agreement with consulting days & product updates
  - Subscription Options – allows hybrid payment options for ease of budgeting and cash-flow management
