YEAPS is Your Partner for Success

From Assessing to Conceptualization Through Our ABC Process

Assess Assets

Interviewing & Planning

We will assess the company through discovery meetings to get a better handle on their culture, competencies, goals, and technical readiness. With a defined baseline, we can determine the next steps accordingly.

Build Behavior

Briefing & Training

After assessment, we will conduct an in depth hands-on experience and training to showcase all features and possibilities with Microsoft Viva suite.

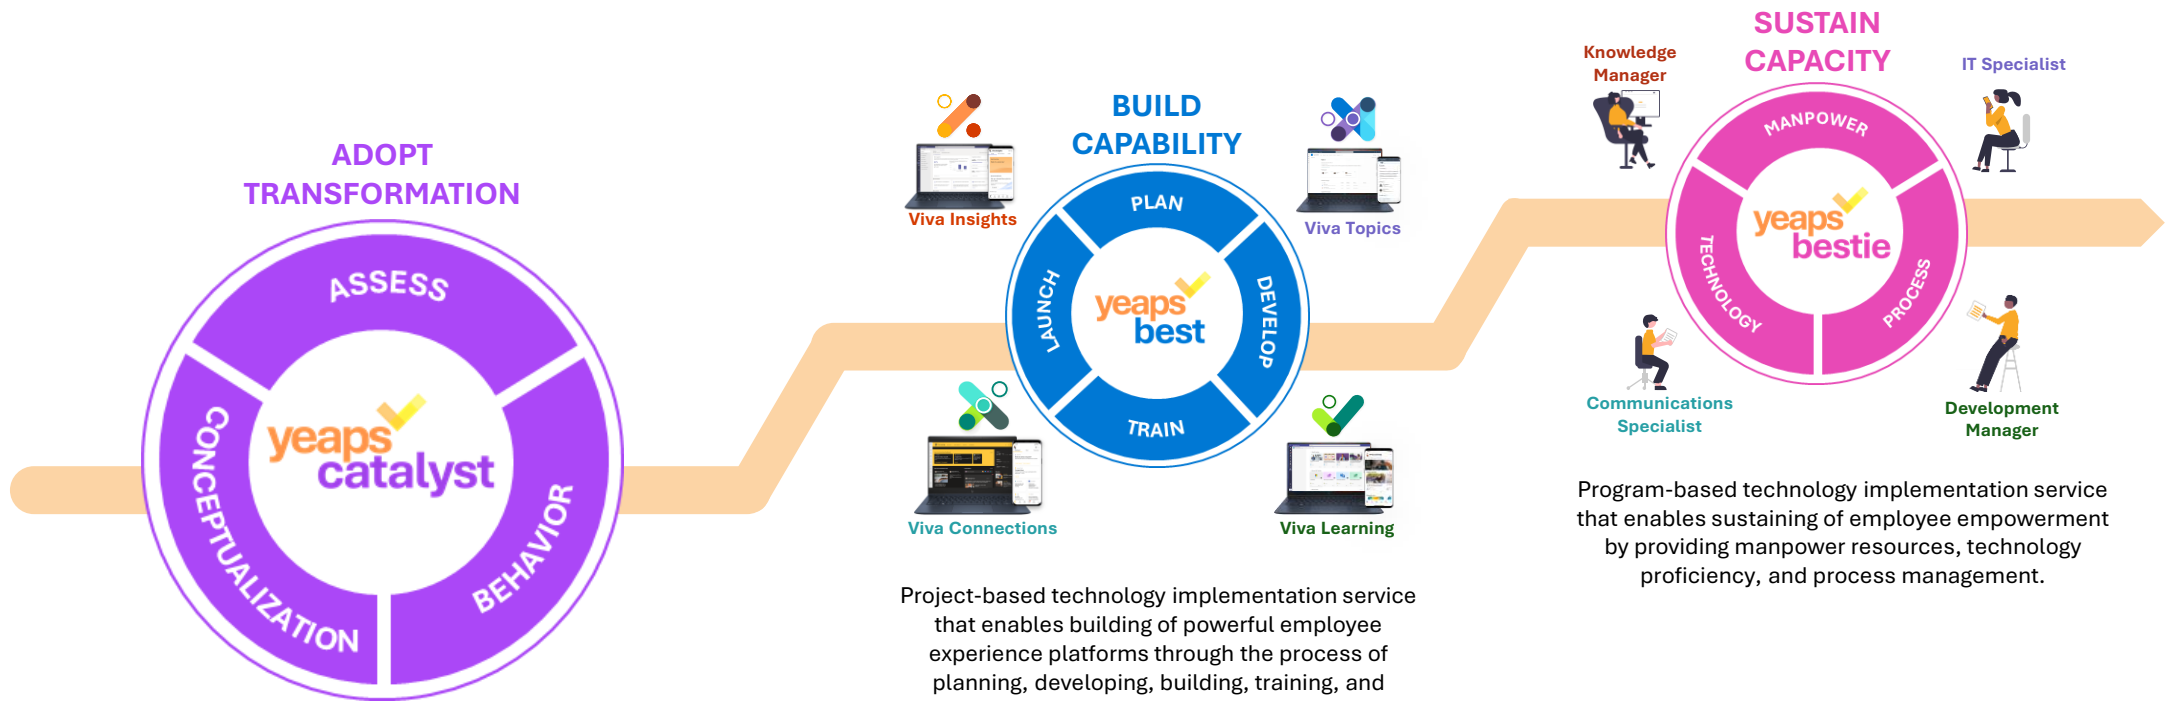

Conceptualize Configurations

Masterplan Workshop

With an envisioning session, we look into the challenges that the departments and employees face and how it can be improved through the right intuitive platforms. Our end goal is to produce a master plan to guide the company towards actionable solutions powered by Microsoft Viva.
