

**4+ sight**™

**4+ cloud**

# 4Sight through our 4Cloud solution is a partner with Microsoft accredited status, years of experience and a division of experienced and skilled resources to support your migration to the cloud journey.

4Cloud can assist your business in migrating your Windows and SQL Server workloads into Azure safely and seamlessly.

- Safely and securely migrate and modernize Customer's environment
- Redefine the core to **enhance performance, improve user experiences, drive flexibility and scalability**
- Transform with the support and guidance of an accredited and specialized partner

Move to Azure

Agile

Confidently

Trusted solution provider

## High level solution overview:

- Move your on-premise servers to Azure
- Migrate your current Azure to a different region
- Move your current cloud platform to Azure
- Assess your readiness, sizing, and cost
- Careful planning and flexibility when scoping your migration to the cloud
- Migrate securely and focus on continuous optimisation and improvements

## Methodology:

# 4Cloud supports the Customer's Digital Transformation Roadmap by unlocking value enablement initiatives as part of our Value Pyramid approach

By assisting our customers to migrate to Azure supported by trusted and endorsed processes and frameworks, we allow them to experience the breadth and depth of benefits Microsoft Azure has to offer.

### Benefits:

1. Simplified Compliance
2. Hybrid Capability
3. Cost optimisation
4. Enhanced mobility and remote function
5. Reliable Redundancy
6. Increased agility
7. Scalability
8. Enhanced protection and security

### High Level Solution Architecture:

# CONTACT US

Incorporated in 2017, 4Sight is a JSE AltX (ticker: 4SI) listed, multi-national, diversified technology group. Our purpose is to leverage our extensive product and services portfolio, focused on 4IR technologies, people and data-focused solutions to design, develop, deploy and grow solutions for our partners (customers and vendors).

4Sight's business model enables its partners to take advantage of products and solutions within its group of companies, which will allow them to enjoy turnkey digital transformation solutions across industry verticals.

The company's mission is to empower our partners to future proof their businesses through digital transformation to make better and more informed decisions in the modern digital economy.
