

Get ready to achieve more with Microsoft Teams

As the hub for teamwork, Microsoft Teams is designed to help organizations improve collaboration and increase efficiency by automating key business processes. With the **Teams Apps and Solutions Workshop, ZiAAS** will work with you to identify ways to improve workplace productivity and meet your business goals, leveraging the Microsoft Teams platform.

See what's possible

Learn what the Microsoft Teams platform can do for your organization. Our consultants will walk you through the Art of the Possible, working with you to identify and prioritize key business scenarios to help solve your specific collaboration challenges. During the workshop, we'll show how opportunities to customize and extend your Microsoft Teams workspace using the power of automation. Then, ZiAAS will design a plan that leverages Microsoft Teams platform capabilities to help you move forward.

Realize better business results with improved automation

Drive business results through scenarios for increased efficiency

Accelerate outcomes with ready-to-use apps, low code solutions, and solutions tailored to your needs

Enable app governance through guidance on governing Microsoft Teams apps using policies and controls

Why ZiAAS

With extensive solution development experience, ZiAAS can help you improve workforce productivity through automation of key business processes, leveraging the Microsoft Teams platform. We will work with you to understand your environment and identify opportunities to help you achieve continuous business value from your Microsoft Teams investment. With industry and technology experience, you can count on us as your trusted partner in your transformation journey.

We'll work with you to:

- ✓ Explore ways to meet your business goals by streamlining processes and improving productivity and collaboration
- ✓ Identify and prioritize key use case scenarios
- ✓ Provide an implementation plan and next steps to help you achieve your desired goals
