

Power Pages App in a Day workshop

Held in-person or virtually this workshop focuses specifically around building Low Code No Code applications using Power Pages. This workshop can be broken down into two 4-hour sessions or multiple day sessions.

1-day workshop for client to understand/build Power Pages

Cost: \$3,200

Included in your customized Power Pages in a Day Workshop will be:

- Build Power Pages applications for your end users.
- Use Dataverse to store business data.
- Integrate Power Automate to automate approvals and send emails.
- Discover PowerApps' ability to embed more sophisticated functionality within applications.
- Learn how Power Pages can help you be more efficient and make a greater impact on the work you do every day

Dedication. Innovation. Results.
