- **Private address book**
- **Internal messages**
- **Notes system, alerts, notifications**

Online consultations and  
fast access to quality  
medical services

Suitable for:

Hospitals

Clinic

Patients

The screenshot shows the telemedica website homepage. At the top left is the logo "telemedica by htss.". At the top right, there is a phone number "Call us: 0372.30.70.60" and flags for the UK and USA. Below the phone number are navigation links: "HOME", "ONLINE DOCTOR", and "MY ACCOUNT". The main banner features a blurred image of a doctor's hands in the foreground and a laptop in the background displaying a female doctor on a video call. The text on the banner reads: "The right care when you need it most." followed by "Talk to a doctor, therapist, or medical expert anywhere you are by video or chat!". Below the banner is a section titled "OUR SPECIALITIES" with three small images showing medical professionals in various settings: a man and a woman talking, a woman sitting at a desk, and a man and a woman talking.

# Doctors have access to:

Consultation histories

Chat discussions

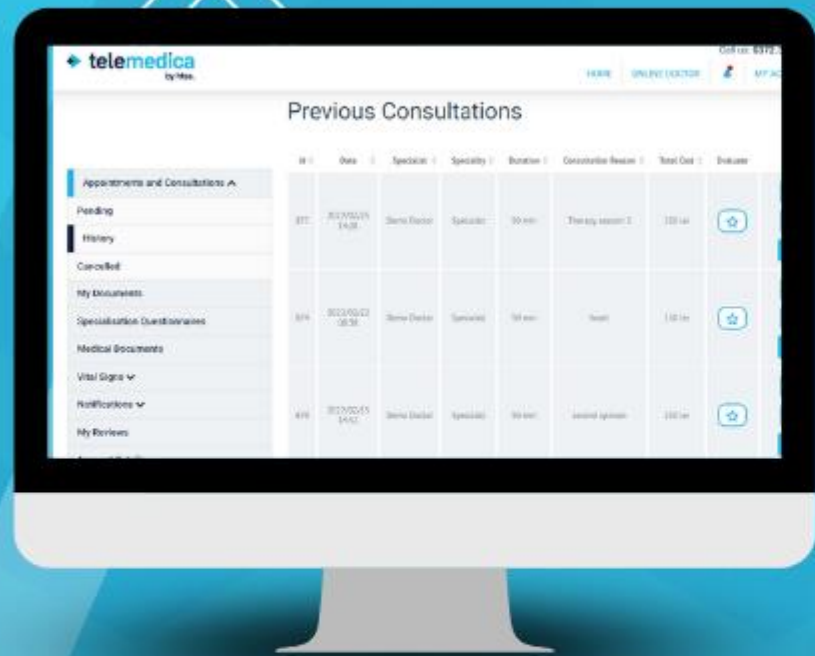

Prescribed treatment

Recommendations

Patient submitted files

The screenshot displays the telemedica by htss. web interface. At the top, there is a navigation bar with the logo and links for HOME, CHANGE PASSWORD, and LOG OUT. Below this is a dark blue navigation menu with icons for Waiting Room, Appointments, Patients (highlighted), Notifications, Reviews, Documents, and Specialists. The main content area is titled 'Customers' and features a dropdown menu for 'All Customers (6)' and a search bar labeled 'Search patient' with a 'Search' button. Below the search bar is a table with the following data:

First Name	Last Name	DOB	Consultation Reason	Last Visit	Follow-up	
HTSS	Administrator	2000/01/01	Demo Presentation	2021/12/10	No appointment	See file
Virgil	Popescu	1991/03/01	Therapy session 2	2022/02/25	2021/03/11	See file
Mihaela	Bulgaru	1996/02/15	Test	2021/10/07	No appointment	See file
Mihaela	Popescu	1996/01/15	TEST	2021/06/18	No appointment	See file

✓ The platform can be accessed directly from any device.

## Virtual Waiting Room

Waiting Patients	Patients messages
Next in 21 min	Patient: <b>Vigil Popescu</b> Reason: Nu este prezent Duration: 50 min Starting Hour: 05:30 PM Type: Video consultation <a href="#">Patient Details</a>

[Start](#) [Postpone](#) [Send Message](#)

### Next bookings

No bookings left for today and tomorrow!

Provide consultations directly from the platform and have access to patient information from anywhere, anytime

**Flexible management of  
online and offline  
appointments**
