BUSINESS CENTRAL & DOCUSIGN INTEGRATIONS

SALES QUOTES

WHO WE ARE?

New Technology Research has 20+ years of experience with Microsoft Dynamics Navision & Business Central.

Our DocuSign integration provides a quick and cost-effective way to add the premier e-signature toolset to your Business Central

WHAT IS IT?

Our DocuSign integration includes all available components of the toolset. This includes:

- Form fields to be pulled into BC
- Conditional sections and logic
- Advanced signature routing
- Approval Workflows
- Payments
- and much more.
