

Microsoft Teams Meetings

The research is clear – meetings are one of the biggest productivity killers for most organisations but with Microsoft Teams you can feel more invigorated than ever thanks to the ease of attending a meeting by the click of a button.

To support this, Engage Squared will partner with you to deliver a targeted change program that coaches key staff (e.g. senior leaders and champions) on how to best use the technology available to them and run effective meetings regardless of where they are.

Expected outcomes

- ✓ Standardised approach for hybrid meetings within your organisation
- ✓ Empowered staff and leaders who can confidently use technology
- ✓ Increased ROI on your M365 investment
- ✓ Improved quality of meetings
- ✓ Improved collaboration practices and ways of working

Using actionable insights, we will:

Internal product experts

Who can continue to support sustainable growth and knowledge transfer of the different meeting options in Microsoft Teams.

Upskilled executive leaders and power users

Helping them 'walk the walk' and confidently understand how to use Microsoft Teams (and M365 more broadly) for more efficient and engaging meetings.

A reinvigorated champions' network

Who can act as an extension of the core change team by supporting the adoption of new meeting behaviours and rituals across your organisation.
