

# INSPIRE PLATFORM™

MCA Connect's modern analytics platform

*Unlock the value of your data*

You don't know what you don't know, but if you did know you'd do something about it.

Consolidate your data, optimize it for analytics, and make better, more timely decisions with MCA Connect's Inspire Platform™. Reduce IT dependency and enable data-driven decision making with self-service analytics. Offering out-of-the-box reporting on industry-standard KPIs, Inspire Platform™ unlocks the value of your data to inspire innovation.

## Break down data silos

Unite critical data across divisions, geographies, and data sources so you're better equipped to make big decisions (and automate routine ones!). Get preprocessed data optimized for analytics in near real time.

## Gain immediate insights

Get information quickly and efficiently with self-service analytics, out-of-the box reporting, and industry-standard KPIs. Transition to managing by exception and better adapt to changing demand with visibility into what's coming.

## Act with confidence

Spot abnormalities and trends in your supply chain and keep a pulse on the shop floor, even when you're away. Optimize inventory, fulfillment, quality, and cash flow in near real-time by relying on your data to drive decisions.

## Modernize and optimize

Go beyond insights to inspiration with a modern analytics platform designed for manufacturers and distributors and optimized for Microsoft Dynamics 365. Establish a future-ready foundation to uncover patterns and continually optimize your operations.

## What you get

Immediate insights with self-service analytics and out-of-the-box reporting

All your enterprise data, all in one place

Foundation for predictive analytics optimized for Dynamics 365

Visibility into past performance and forecasted results

Ongoing enhancements and support from a team of industry experts
