

1-Hour Discovery Consultation MS Dynamics 365 Business Central

ITA Dynamics: Free

Before you move forward with your new Microsoft Dynamics Business Central application. Take the time to discuss your needs and wants with a trained professional.

Not sure how to start or even the steps you need to do to implement a new Microsoft Dynamics 365 Business Central Application. Give us a call or drop us an email and meet with one of our consultants and they can help you through the process.

This plan includes 1 hours of ITA Dynamics assistance and consulting efforts. (\$195/Hour additional services)

Deliverables

ITA Dynamics will be assisting you in Designing, Planning and Implement the entire Dynamics 365 Business Central suite of modules:

- Review of your current system
- Review of your current workflow
- Review of your needs
- Review of the improvements and goal that you have set
- Review of the best migration plan that can fit your timeline and budget.
- Define Scope of Work and Timeline
- Define Short-Term and Long-Term Goals

Customer Requirements

- It is advised that the customer have access to reports that they would like to share and/or other output data that can help define scope of work and timeline.
