

Business Central Expert Guided Implementation

DEPLOY DYNAMICS 365 BUSINESS CENTRAL AT A LOWER IMPLEMENTATION COST

We understand embarking on the Enterprise Resource Planning (ERP) implementation journey can be overwhelming. When you decide to do it, JourneyTEAM is here to make the migration process smooth and painless.

JourneyTEAM's Sherpa Program leverages a proven delivery methodology in a group setting to reduce the price. Combined with support from our expert Dynamics Business Central (BC) consultants and implementation guides, Sherpa is a great option for organizations looking to take more ownership and do more of the work for a successful implementation.

JourneyTEAM senior architects and consultants are the best in the industry and have done hundreds of ERP implementations. Awards include the 2019 and 2020 Microsoft US Partner of the Year and the Crystal Eagle (Top 5 in the World) Award for Business Central.
